

# ROYAL LIVINGSTONE *of* Zambia

The Royal Livingstone, a 5 Star Resort Hotel, is located within the Mosi-oa-Tunya National Park on the Zambian side of the Zambezi River. It enjoys prospects over the Zambezi River and the Falls shared by no other hotel in the Victoria Falls region. The bedrooms are two-story clusters inspired by the grand estate houses of a bygone era. Each air-conditioned room has a private balcony and terrace that offers spectacular views of the great river and beyond – a quiet retreat from the ruggedness of Africa, with large shaded verandahs and open spaces cooled by swirling fans and tall shutters. The traveler's bar and lounge is a place where guests can relax under thatched shade, decorated in harmonious greens, creams and ebony. With its comfortable armchairs and low ottomans the lounge is a place to enjoy an impeccably served high tea or to linger longer over some fine port or cigar. The a la carte restaurant will serve a range of exquisite delicacies from around the world.
