

GOVERNOR'S IL MORAN

of the Maasai Mara

Kenya

Part of the Governor's family of excellent camps, they've recreated the atmosphere of the original hunting camps. Hidden under ancient trees, deep in the forest, are just ten tents. They line the winding banks of the Mara River. You'll be the personal guest of the manager, who'll look after all your needs. Game drives and game walks are included in the rate and complimentary wine is served with dinner. Each spacious tent has a very private location and is furnished to a superior standard. Stunning beds are handmade from specially selected wood taken from ancient olive trees. Large en-suite bathrooms have flush toilets, a lovely big shower with piping-hot water, and a Victorian bath where you can soap the day's dust away. In true safari tradition, illumination is by kerosene lamps and candlelight by night. Every tent has an extended verandah. They're designed so you can take dinner in private at your tent if you wish. Or just relax and enjoy the sights and sounds. During the day meals are served under the giant trees. There are fresh fruits, cereals and hot-baked breads accompanied by a cooked breakfast which is barbecued before your eyes. For lunch a buffet that'll satisfy the hungriest appetites. Deep in the bush, the cordon-bleu dinners by candlelight are a truly unforgettable experience. Nowhere else can you get so far from civilization, yet stay in such style.
