DAY 3~ SUNDAY~ MARCH 2

DELHI

Spend today acclimating yourself to your new time zone and exploring one of the most fascinating cities in the world. India's capital and political hub is an ancient city that has something for everyone. Settled seven times over the centuries, the city has grown in a way that reflects its past, while retaining its cosmopolitan flavor. Delhi is India's showcase, be it architecture, religion, shopping, culture – everything is available here waiting to be discovered.

Venture off to Old Delhi for a visit to Jama Masjid, India's largest mosque in India, with a courtyard capable of holding 25,000 devotees. Built in 1644, it was the last in the series of architectural indulgences of Shah Jahan, the Mughal emperor who also built the Taj Mahal and the Red Fort. The highly decorative mosque has three great gateways, four towers, and two 135-foot-high minarets constructed of strips of red sandstone and white marble. Visitors should dress respectfully (no shorts, miniskirts, tank tops, etc.). Next, visit the Red Fort, once the most opulent fort and palace of the Mughal Empire. The main entrance to the fort is the Lahore Gate, named so for facing toward Lahore in Pakistan. Delhi Gate is similar to Lahore but grander in design, and the gate was used by the emperor every Friday for ceremonial processions to the Jama Masjid.

Explore the walled city of Old Delhi on a traditional rickshaw ride. On your cycle rickshaw sightseeing tour your senses will come alive as you encounter the many captivating sights and sounds this amazing city has to offer.

Continue to "New" Delhi and visit Humayun's Tomb, built in the mid-16th century by the senior wife of the second Mughal emperor—the first significant example of Mughal architecture in India and one of the most beautiful buildings in the city. The elements of its design are echoed in the later Taj Mahal. A squat building with high arched entrances is topped by a bulbous dome and surrounded by formal gardens containing the red-and-white sandstone and black-and-yellow marble tomb of Humayun's wife and, somewhat surprisingly, the tomb of Humayun's barber. Continue on your drive along the ceremonial avenue, Rajpath, past the imposing India Gate, Parliament House, and the president's residence.

Tonight's welcome dinner will offer you an introduction to the astounding richness of Indian cuisine. Overnight at THE LEELA PALACE NEW DELHI in a premier room. (B,L, Welcome Dinner)

DAYS 4/5/6~ MONDAY/TUESDAY/WEDNESDAY ~ MARCH 3/4/5 DELHI/JABALPUR/KANHA NATIONAL PARK

Board your afternoon scheduled flight (13:55 pm) to Jabalpur (15:30 pm) and proceed on a drive (4 ½ hours) to Kanha National Park and its lush sal and bamboo forests, grassy meadows, and ravines, which provided inspiration to Rudyard Kipling's famous novel "The Jungle Book." The largest wildlife sanctuary in Asia, Kanha National Park was one of the first Project Tiger reserves in India. It is, in many ways, Project Tiger's biggest success story, with the tiger population doubling since 1976. Over 740 square miles of habitat make up Kanha—a series of plateaus that stretch across the eastern segment of the Satpura Ranges in Madhya Pradesh. This is the land of the tiger, the leopard, and wolf. Porcupine, spotted deer, jackal, sloth bear, jungle cat, macaque, dhole (wild dog), bison, and a stunning spectrum of birds also inhabit Kanha, making a trip to the sanctuary a must for any wildlife enthusiast. It is a truly thrilling experience, made more so by sightings of the tiger, gaur, or even the tiny mouse deer (muntjac) and the rare barasingha, found only in

Schedules, accommodations and prices are accurate at the time of writing. They are subject to change.

Kanha. Go birdwatching on a misty winter morning and you're likely to see beauties like the Racquet-tailed Drongo, Crimson-breasted Barbet, Crested hawk Eagle, and Golden Oriole.

Activities over the next two days will mainly consist of jungle safaris, conducted in 4 x 4 vehicles, which are open from all sides to give you a panoramic, unobstructed view of the landscape and every bird or mammal that may just sneak into the tall grasses. You will be able to listen to the sounds of nature, whether it's mating calls, alarm calls, distress calls or just a casual roar. Nature walks can also be arranged as well as visits to the local villages.

Kanha Earth Lodge is just that -- a place where you can be at one with the Earth. The lodge architecture has been inspired by the stunning Gond tribal villages, which are situated on the fringes of Kanha, making it blend in effortlessly with the forest and rural architecture. The lodge respects the environment, and the simplistic buildings merge well with the landscape. Set in deep jungles in an area untouched by any kind of tourism or development, it offers the discerning guest the guarantee of privacy. The lodge has easy access to the Khatia/Kisli park gate and there is a good opportunity to view a variety of mammals and birds around the lodge itself. It is rustic yet deluxe, built mainly with local stone, logs, baked tiles, tribal artifacts and furnished with fine rustic furniture, sanitary fittings, and cotton upholstery. The lodge has only 12 beautiful, open-fronted bungalows with en suite bathrooms and large open verandahs. Delightful cuisine, a sparkling infinity pool, a nature library cum presentation room and office cum eco shop, round out the amenities. Overnights at KANHA EARTH LODGE in deluxe bungalows. **DAYS 7/8/9~THURSDAY/FRIDAY/SATURDAY ~ MARCH 6/7/8
KANHA NATIONAL PARK/BANDHAVGARH NATIONAL PARK**

Your long but culturally enriching drive (5-6 hours) takes you to Bandhavgarh, a wildlife retreat where history and nature meet. Set among the Vindhyan Mountain Range in Madhya Pradesh, Bandhavgarh National Park is home to the famous white tigers of Rewa. The prominent ones captured in the park include the legendary white tiger called Mohan, who supposedly fathered several offspring found in zoos the world over. Bandhavgarh's history goes back 2,000 years, and the earliest signs of habitation can be seen in the caves excavated from the cliffs to the north of the fort. Brahmi inscription here dates back to the 1st century B.C. and Bandhavgarh was a hunting reserve of Rewa's royal family in more recent times, where an alarming number of tigers were hunted down in pre-independence India. Bandhavgarh was declared a national park in 1968 and the tigers are now protected.

Schedules, accommodations and prices are accurate at the time of writing. They are subject to change.

The landscape is a unique mixture of steep and rocky hills, with flat tops and level grasslands in the valleys below. The vegetation found within the park is moist deciduous forest with fine sal trees and stretches of bamboo. Today, the sanctuary is one of the best places to witness the tiger in action and has the highest-density tiger population of any wildlife park in the country. Other wild animals in Bandhavgarh include nilgai, chital, chinkara, gaur, sloth bear, and wild boar, along with 250 species of birds.

Like Kanha, jungle safaris are conducted by jeep. It is advisable to go on every possible safari, because a tiger sighting is never guaranteed, and no sighting is the same.

Your home for the next three nights is situated in Rancho village, only a stone's throw from the coveted wildlife reserve. Kings Lodge is set among 35 acres of sal forest, and it has ten cottage rooms and eight stilt rooms. Each stilt unit has a wooden lofted balcony. All rooms are well appointed and decorated with tribal art, giving the lodge a jungle ambience. The hotel also has a library, infinity swimming pool, and watchtower as well as a massage deck. The lodge has been built to blend with the surrounding landscape and has eco-sensitive policies. As darkness falls, in the peace and tranquility of the night and under the wonderful canopy of stars, one can hear various animals call—including the alarm call of the deer, the howling of jackals, or the occasional roar of a tiger.

DAY 11~MONDAY~ MARCH 10

DELHI/AGRA

Begin your drive this morning to Agra (*approximately 3 ½ hours*). Perhaps no other historical monument has evoked as much awareness and admiration from tourists and travelers alike as the magnificent Taj Mahal, considered the ultimate requiem of love from a great Mughal Emperor to his beloved wife. So overwhelming is the exquisite beauty and presence of this marble mausoleum that centuries later today, even the very land where it has been located has been immortalized as the City of the Taj.

Although the heritage of Agra is linked with the Mughal Dynasty, numerous other rulers also contributed to the rich past of this city. Modern Agra was founded by Sikandar Lodhi (Lodhi Dynasty) in the 16th century. Babur (founder of the Mughal Dynasty) also stayed for some time in Agra and introduced the concept of square, Persian-styled gardens here. Emperor Akbar, his grandson, built the Agra Fort and the city of Fatehpur Sikri in gratitude for an heir after his wife bore him a son. Agra came to its own when Shahjahan ascended to the throne of the Empire. He marked the zenith of Mughal architecture when he built the Taj Mahal in memory of his beloved wife, whom he affectionately named Mumtaz Mahal (Jewel of the Palace). In his later years, Shahjahan shifted his capital to the new city of Shahjahanabad in Delhi and ruled from there. Shahjahan was dethroned in 1658 by his son, Aurangzeb, who imprisoned him in the Agra Fort. Aurangzeb shifted the capital back to Agra until his death. After the death of Aurangzeb, the Mughal Empire would not again touch its peak and many regional kingdoms emerged. The post-Mughal era of Agra saw the rule of the Jats, Marathas, and finally the British took over the city.

En route, visit the Wildlife SOS Bear Sanctuary and the Elephant Rescue Center. To date they have rescued more than 520 bears and bear cubs from the bear dancers, poachers & traders. You will also meet the elephants of the nearby Conservation and Care Center. This project of Wildlife SOS, created in 2010 in collaboration with the Uttar Pradesh Forest Department, works to rehabilitate severely abused captive elephants in distress. The elephant centre houses elephants who are finally enjoying a lifetime of love, after being rescued from harsh work environments. Wildlife SOS is campaigning against the capture, training, and use of elephants for tourism, temple festivals, begging, performing on streets, or the logging industry.

In the late afternoon, visit the fabled Taj Mahal and enjoy the monument as the sun sets.

Enjoy the luxury of your own private view of the greatest monument to love from your first palace hotel. The Oberoi Amarvilas is located very near the Taj Mahal, and all rooms offer breathtaking views of the monument. Inspired by Moorish and Mughal architecture, the resort is a splendid display of terraced lawns, fountains, reflection pools, and pavilions with rich interiors that take you back to an era of Emperors and Princes. An interlude at The Oberoi Amarvilas is truly unforgettable.

DAY 12~TUESDAY~ MARCH 11

AGRA/JAIPUR

Early this morning, enjoy a sunrise visit to Taj Mahal, if you wish. This visit, unlike the one before, will allow you a glimpse of this monument with the changing backdrop of the morning sky. Watch the monument go from a dull gray to a shimmering white during your visit. Return to hotel for a leisurely breakfast.

Visit the Agra Fort, a powerful fortress founded in 1565 by the emperor Akbar (1556-1605) on the right bank of the Yamuna; it is situated today on the northwest extremity of the Shah Jahan. It doesn't take much for the wandering eye to discover that there's more to Agra than just the fabled Taj Mahal. The city is a virtual gateway to a world of discovery, a freeze-frame from a resplendent era that's long since gone

Leave Agra behind and drive for about an hour to the magnificent ghost city of Fatehpur Sikri, the short-lived capital of the Mughal Empire between 1571 and 1585 during the reign of Emperor Akbar. Although brilliant and unusual from an architectural point of view, Akbar's city was erected in an area that suffered from water shortages and it was abandoned shortly after Akbar's death. The well-preserved palace and still-used mosque are the main points of interest, but you can wander around the ruins that are scattered behind the mosque.

After lunch, resume your drive for another four hours to Jaipur, the administrative and commercial capital of what was known as Rajputana. Begun in 1727 and completed in just eight years, Jaipur was the first city in India to enjoy rigorous town planning according to the principles laid down in "Shilpa Shastra," an ancient Indian article on architecture. The city is protected by high walls, with wide, straight avenues that divide it into nine sectors (apparently reflecting the nine divisions of the universe, resembling the Indian horoscope), each named after the commodity and caste that lived and practiced their specific skills here—the order and space was at the time a total revolution in Indian cities.

Upon arrival, you are escorted to your stunning hotel where you drop off your bags and get ready to discover Jaipur, known as the Pink City, a rather idealized description of the terra-cotta-colored lime plaster that coats the old part of the city's walls, buildings, and temples. The reasons for painting the town pink are unknown, but various theories have been suggested, from using pink to cut down glare, to the city's founder, Jai Singh II's, apparent devotion to Lord Shiva (whose favorite color is reputedly terra-cotta). Others believe Singh wanted to imitate the color of the sandstone used in the forts and palaces of his Mughal emperor friends. The most popular reason is that pink is the traditional color of hospitality, and the city was freshly painted and paved with pink gravel to warmly welcome Edward VII for his visit here in 1876. The city is painted pink once every 10 years by the Municipal Corporation, and in 2000 the painting was timed for a state visit, this time by former U.S. president Bill Clinton.

Your late afternoon tour of Jaipur will take you through the pink city and introduce you to its colorful culture via rickshaw. You'll arrive at a Haveli deep inside the city, where you will be welcomed by the family and learn their story. You will also enjoy a cooking demonstration (on hand experience is also welcomed) and a fabulous lunch afterwards. It's a great opportunity to learn about the history and culture of this fascinating city from its inhabitants.

Experience the magic of the Pink City in a fabled palace hotel that dazzles and delights. Nestled against the Aravalli Range as the backdrop, this uber-luxurious hotel will be your home for three nights. Boasting over eight acres of landscaped gardens, the splendor of the Rajputana heritage is on display with mirrors, Shekhawati paintings and silver foiled domes as décor. Your palace room has hues of coral and exudes luxury. Contemporary in design, the rooms have hand-tufted carpets and marble floors with inlay work. The rooms are air-conditioned and feature a comfortable seating area, a 49-inch LED TV, tea and coffee making facilities, a mini-bar, and a well-equipped bathroom. Dine in one of the four venues and feast on mouth-watering cuisine. Pool, fitness center and much more, round out this fabulous Palace.

DAY 13~WEDNESDAY~ MARCH 12

JAIPUR

This morning, visit one of the major attractions in Jaipur, the Amber Fort. The breathtakingly beautiful complex of the Amber Fort consists of palaces, halls, pavilions, gardens, and temples. It is astounding that it took more than two centuries for its construction. The elegance exuded by the fort is simply awesome.

Continue to the Hawa Mahal, or the Palace of Winds, located on the main street of the old city: the five-story building is a pink splendor with carved trelliswork. This structure was meant to be a window for the royal ladies to view the activities on the street, including daily life and processions. You will relish each moment of the royal retreat.

This afternoon, visit the former residence of the royal family, the City Palace. This charming palace reveals a combination of the Rajasthan and Mughal styles of architecture.

One of the other major attractions is the Armory Museum, housing an impressive array of weaponry. Visit the outdoor observatory built by the astronomer/ruler of Jaipur, Jantar Mantar, which is the largest stone and marble observatory in the world with 17 large instruments, many of them still in working condition.

Overnight at the LEELA PALACE JAIPUR. (B,L,D)

People watching is equally compelling with typical dress of Rajasthan on display – men in their turbans, women with nose ornaments and bangles.

Your afternoon is free to just relax and enjoy the amenities of your hotel or do some more shopping. Overnight at the LEELA PALACE JAIPUR. (B,L,D)

DAYS 4/5/6~THURSDAY/FRIDAY/SATURDAY ~ FEBRUARY 27/28~ MARCH 1 DELHI/GUWAHATI

Transfer back to the airport for your flight to Guwahati (UK#741: 9:25 am-11:55 pm), where you will have about a four to five-hours' drive to the land of the great Indian one-horned rhino, more than two tons of frightening muscle and tank-like belligerence. With its armor-plating hide and its 24-inch-long horn - which really isn't a horn, but compressed hair - the Indian rhino once ruled the wetlands of north-east India. Hunted mercilessly, it was on the brink of extinction when conservationists finally awoke to its plight. The result, and a successful one at that, is Kaziranga National Park.

Stretching over an area of 166-sq-mi on the south bank of the Brahmaputra River, Kaziranga is one of the last refuges of the Greater one horned rhino. A vast stretch of course, tall elephant grass, marshland, and dense tropical forests, it has managed to survive the onslaught of poachers, urbanization, and burgeoning human populations. Kaziranga's birth is mostly thanks to one, Lady Curzon, wife of the then British Viceroy to India, who visited Kaziranga in the winter of 1904. Unfortunately, contrary to her expectations of seeing the great Rhino itself, she could only find a few of its hoof marks. Struck by its perilous state she impressed

upon her husband Lord Curzon, the need to save the Rhino. Today 100 years later, in what can be called this Century's Greatest Conservation Success Story, the Rhino population is the single largest in the world! This story sends a loud and clear message to the entire world – that with strong public and political will and collective action of conservation communities, there is hope for other critically endangered species across the globe.

The vast open country makes the park very accessible and wildlife viewing enjoyable. You will spend your days doing wildlife viewing either by elephant-back or jeep. Leave in the early hours of the morning for elephant-back-rides. The authorized and trained Mahouts will guide you through the park in hopes of seeing wild elephant herds roaming around or Indian rhinos walking past. Kaziranga is also home to a vast number of animals including elephant, tiger, leopard, jungle cat, hog badger, capped langur, hoolock gibbon, jackal, porcupine, python, buffalo, Indian bison, swamp deer, sambhars, and hog deer. The park also boasts a decent avian population, which increases considerably in the winter, when migrating birds visit the park.

Diphlu River Lodge opened in January 2008, providing much-needed top-class accommodation at this World Heritage Site. The position of the lodge is second to none – only the boundary river separates its extensive grounds from the National Park itself, and the jungle views are exceptional. Built in thatch and bamboo, on stilts, the tranquil ambiance of the lodge is suitable for animal viewing in the early morning or night when only sparse lantern lights are allowed outside. From the individual tribal huts on stilts, guests gently walk and rock on the bamboo bridges over the lush green paddy-fields to congregate in the lounge for food and drink that overlooks the Park across the river. The lodge has four individual cottages and four semi-detached cottages, made of bamboo and thatch, built on stilts above the ground. All cottages sleep two and have been

beautifully designed to make full use of local materials and artifacts and blend in with the stunning natural surroundings. All are well-appointed and charmingly furnished with individual interiors. Each has a seating area with comfortable cane furniture, a writing desk, mini-bar, safe, small fridge, and tea & coffee machine as well as top-quality beds and mattresses.

OPTIONAL POST-EXTENSION TO RAJPUTANA

A minimum of 6 passengers is required for this extension.

DAY 15~FRIDAY~ MARCH 14

JAIPUR/PUSHKAR

Bid farewell to the rest of the group returning to the USA as you drive (approximately 3 hrs. drive) to the tiny town of Pushkar along the banks of the picturesque Pushkar Lake. Sacred for Hindus, it has a staggering 400 temples, of which the most important is dedicated to Lord Brahma. According to legend, for five days a year, all the gods visit Pushkar and bless the devout, hence the unbelievable number of devotees who flock to the lake to wash away their sins. These five crucial days also coincide with the biggest cattle fair of the country. Make your way through virtual armies of camels, cleaned, washed, and adorned, as they descend on Pushkar and observe villagers doing brisk business.

Continue up to the ghats of Pushkar Lake. Many Ghats run down to the Holy Lake where pilgrims are constantly bathing in the holy waters. Joining people at the Ghats has to be done with respect for their culture and privacy. Remove shoes before approaching, do not smoke and restrain from photographing bathing people. The famed waters of the Pushkar Lake are said to wash away the sins of a lifetime. The mystical water is also believed to cure skin diseases, making Pushkar the Lourdes of the East. Continue to the Brahma temple to witness the evening prayers.

Surrounded by the picturesque Aravalis, the Westin Pushkar Resort & Spa is an immaculate wellness and leisure gateway that offers everything from serene natural elements and beautiful sunsets to rejuvenating therapies and food for the soul. Ideally located to experience the various cultural and historical offerings of this vibrant city, including the annual Camel Fair, which attracts thousands of visitors from across the globe, the resort is a short drive from the Holy Lake as well as the famous Brahma Temple which dates back to the 14th Century. The 98 rooms and villas at this property feature private pools, electronic safe, LED TV, special Heavenly Bed and Bath, and more. Fuel your day with authentic local and international cuisines in the resorts two restaurants, bar, and rooftop tea lounge.

Overnight WESTIN PUSHKAR RESORT & SPA in deluxe rooms.

DAYS 16/17 ~ SATURDAY/SUNDAY ~ MARCH 15/16 PUSHKAR/JODHPUR

After a leisurely breakfast, drive to the sapphire blue state of Jodhpur. Shining under the warm glow of the sun it resembles a desert jewel on the edge of the vast Thar. Its history is associated with epic stories of passion, political intrigue, and treachery. Founded in 1459, Jodhpur was to become one of Rajputana's wealthiest cities, capitalizing on its central position on the Delhi-Gujarat trade route and protected by one of the most impenetrable forts in history.

Next day in the morning enjoy a jeep safari through the villages and visit local communities. On this cultural venture you will be introduced to the colorful and exotic Bishnoi tribe. The name "Bishnoi" (Twenty-nine) represents the number of principles espoused by their prophet, Lord Jambheshwar. Despite being born a Kshtriya, the second highest Hindu caste, he disapproved of the caste system and created a classless community into which all were accepted. The only requirement was to live by his 29 life principles including no killing or eating of animals, no cutting down of living trees and no alcohol consumption. Many of the rules he imposed are still followed today. Next you will meet the Raika tribe, located both in the hills and desert areas. They are a nomadic people who travel continuously with their herds of sheep and camels. Raika men from the hills can be identified by their large red turbans and the women wear colorful clothes and antique ivory bangle bracelets which are passed down from mother to daughter.

The desert Raika men wear various colors of turbans, and the women wear colorful dresses accented with an abundance of silver jewelry. You are invited to visit a few of the tribal houses to experience their lifestyles first-hand.

In the afternoon visit Jaswant Thada, a beautiful marble crematorium constructed for the maharajahs in the 19th century.

Last visit Mehrangarh Fort, situated on a steep hill and one the largest in India. From the top of the fort, you can get a bird's eye view from the old city to the Jaswant Thada, an imposing marble cenotaph built in 1899. At the end of the tour enjoy a short walk through the local and vibrant bazaar of Jodhpur. To enter the Mehrangarh Fort seven gates have to be crossed. Some of these gates still bear marks of many a siege that this fort has withstood, due to its 17 feet thick and 68 feet high walls. The fort encloses many palaces, which are known for their intricate carvings and sprawling courtyards. Moti Mahal, or the Pearl Palace, has a delicately carved stone screen and treasures,

including the Sringar Chowki (*the royal throne of Jodhpur*). Umaid Villas displays the Rajput miniature paintings and Ajit Villas exhibits musical instruments and the royal costumes. Both these villas are joined by a beautiful mirror room.

Built between 1928 and 1943, Umaid Bhawan Palace is a magnificent piece of Rajasthan's heritage and a symbol of the new Jodhpur. One of the world's largest private residences, a part of the palace is managed by Taj Hotels. Set amidst 26 acres of lush gardens, this magnificent Taj hotel in Jodhpur offers you 70 grand rooms and suites in the renowned Art Deco style and makes lavish use of exquisite marble in an architectural style, which harmoniously blends an old-world charm with contemporary elegance. Each spacious and tastefully appointed guestroom is centrally air-conditioned, and the traditional architecture is complemented by classic furniture. Other amenities include a bar, an indoor and outdoor pool, a salon, and gardens. A spa offers Ayurvedic treatments and yoga. Free Wi-Fi.

THINGS YOU NEED TO KNOW ABOUT INDIA

Participants:

- Must be able to climb in and out of safari 4x4 vehicles unassisted. They should also be able to tolerate riding on uneven, bumpy dirt roads for long periods of time (6-9 hours maximum), as well as some off-road experiences when opportunities allow. Participants should be able to stand and/or walk moderate distances at an easy pace for up to a few hours at a time when visiting villages, towns, or other sites. Some, if not most, of this walking may be on uneven ground or uphill.
- Driving in India is chaotic and unlike the orderly driving experienced in the United States. Your drivers are experts in navigating the roads with all the conditions that are prevalent and travelers should feel safe in the knowledge that your driver's number one priority is to get you to your destination safely and as efficiently as possible.

General:

- True adventure in travel can sometimes be accompanied by unexpected changes in conditions, itineraries and occasionally your accommodations. Participants should travel with a spirit of adventure and flexibility.
- Remember to pack your patience and sense of humor! Be willing to look past self-imposed ideals of Western amenities and do not compare these new experiences with your life back home. Travel often includes visiting destinations with modest infrastructures and a bending definition of comfort.
- That being said some locations are nestled in absolute luxury where pampering is the norm. Participants should generally be in good health and prepared to travel in locations without medical facilities.

- \$3,200 for trip
- \$1,200 for the pre-extension
- \$1,400 on the post extension

All deposits are subject to the Cancellation policy herein. Final payment is required no less than 95 days prior to departure (**November 25, 2024**) unless otherwise stated. Some airfares or services must be paid in full at the time of booking. Deposits and final payments may be paid by check, wire transfer or credit card (American Express, Visa, MasterCard, or Discover). Conditioned on receipt of final payment in full, all final documents and air tickets will be sent to you approximately two weeks prior to departure.

CREDIT CARD TRANSACTIONS: If for any reason, any travel service provider is unable to provide the services for which you have contracted, your remedy lies against the provider, and not against Classic Escapes, and in the event that payment has been made to Classic Escapes by credit card, you agree that you will not seek to chargeback your payment to Classic Escapes. If the credit card is passed through to the travel service provider and you seek to chargeback your payment from the provider, you agree to be held liable and indemnify Classic Escapes against this chargeback from the provider, including without limitation any air debit memos charged to Classic Escapes. If the credit card is declined, you guarantee that you will settle any amounts owing to Classic Escapes via money order or cash immediately. Except in cases of fraud, you agree not to file any dispute with your bank or credit card company to avoid or violate any booking terms and conditions of Classic Escapes or its suppliers, including cancellations or changes of itinerary or arrangements for reasons beyond the control of Classic Escapes or its suppliers. If you attempt to chargeback, reverse, or recollect a previously authorized trip payment, Classic Escapes reserves the right to collect all additional costs, fees and expenses associated with such chargeback, reversal, or recollection, including, without limitation, attorney fees.

IMPORTANT CONDITIONS: Prices are subject to increase prior to the time you make full payment. Prices are not subject to increase after you make full payment, except for charges resulting from increases in government-imposed taxes or fees. By signing the reservation form, you expressly acknowledge your acceptance of these conditions (i.e., increases before full payment and increases attributable to government-imposed taxes or fees after full payment will be your responsibility) applicable to your purchase.

RATES: Rates are based on the minimum number of guests outlined in this document, plus airfare costs, currency exchange rates and other factors and are subject to change. Though it is rare for Classic Escapes to make a price adjustment after promotion of an itinerary, we do reserve the right to assess a surcharge if the minimum is not met, or if increases are forced upon us by airlines or other partners or because of changes in currency exchange rates.

ADDITIONAL FEES: Additional taxes and surcharges that cannot be pre-collected may be charged locally. Cost of passport and visa fees and service charges for obtaining visa fees; excess baggage charges levied by airlines; laundry and other items of a personal nature; optional travel insurance policy(s); or any other costs incurred that cannot be pre-collected are NOT included and are the sole responsibility of the Traveler.

SINGLE SUPPLEMENT: The quoted rate is valid for the first two single rooms booked and on a first-come, first-served basis. If more than two single rooms are needed, an additional supplement may apply. Single accommodations are not guaranteed but will be provided at additional cost if available (see 'Your Journey at a Glance' section for the cost.) The single room supplement pays for privacy, not better accommodations. For passengers who are traveling alone and wish to share a room with another tour member, we will do our best to provide a roommate. However, if this is not possible, you will be required to pay the single room supplement prior to your departure from the USA.

GRATUITIES, ENTRANCE FEES & TAXES: Gratuities for baggage handling, service charges and taxes imposed by hotels, and entrance fees to all points of interest as outlined in the itinerary are included in the final cost. U.S. and foreign airport taxes are included in air costs. Tips to drivers and specialist guide(s) are **not** included and are the sole responsibility of the Traveler.

CANCELLATIONS, DEVIATIONS & CHANGES

TRAVEL INSURANCE: We recommend travel insurance. Travel insurance can provide financial reimbursement should the unexpected occur.

CANCELLATION: Please be aware that most travel bookings are non-refundable and cancelled bookings will incur charges. These charges can be up to 100% of the cost of the booking, regardless of whether travel has commenced. Where we incur any liability for a cancellation fee or charge for any booking that you cancel, you agree to indemnify us for the amount of that fee or charge. Cancellations are only effective upon receipt of written notification. The following per-person fees are applicable; however, depending on the specific itinerary or other factors, we may require a non-refundable deposit:

- Up to 6 months prior to departure (September 1, 2024), \$300 per person administrative fee, plus \$1,000 non-refundable deposits given to overseas suppliers.
- 179 days to 96 days prior to departure (September 3 to November 24, 2024), deposit is forfeited.
- 95 days to 76 days prior to departure (November 25 to December 14, 2024), 50% refund is possible.
- 75 days to 60 days prior to departure (December 15 to December 30, 2024, 2024), 25% refund is possible.
- 59 days or less prior to departure (December 31, 2024), no refund is possible.

These cancellation fees are also in addition to any fees imposed by airlines.

REFUNDS: While Classic Escapes uses its best endeavors to ensure that all anticipated accommodation is available as planned, there is no claim of any nature whatsoever against Classic Escapes for a refund, in whole or in part, if any accommodation or excursion is unavailable and a reasonable alternative is not found, or if the Traveler is unable to use any service provided in the itinerary.

CHANGES: Once your tour is reserved, changes to the itinerary are possible subject to the availability of air or land space at the time of your request. Should there be any change fees imposed by any airlines or ground operators, or additional costs incurred due to the availability of any space, these costs will be invoiced to you and you will be responsible for payment thereof.

SPECIAL ARRANGEMENTS: Should you wish to make additional travel plans, including specially arranged pre- or post-tour extensions different than those offered in conjunction with your tour, a service charge of \$150 per person (over and above the cost of the services required) will be assessed.

DOCUMENTS

PASSPORTS: All individuals departing from the United States of America must be in possession of a valid passport. Please check that your passport is valid for at least 6 months beyond your intended return date. It is your responsibility to ensure that you have valid travel documentation, including but not limited to passports and visas, which meet the requirements of immigration and other government authorities at every destination. You are responsible for confirming with the United States Department of State or the representative government agency of the country to which you are traveling to confirm the requirements for visas and/or other requirements for admission to your destination. Any fines, penalties, payments, or expenditures incurred as a result of such documents not meeting the requirements of those authorities will be your sole responsibility.

REAL ID: Beginning October 1, 2021, if you plan to use your state-issued ID or license to fly within the U.S., it is your responsibility to make sure it is REAL ID compliant. If you are not sure if your ID complies, please check with your local state Department of Motor Vehicles or visit www.tsa.gov/real-id.

TRAVEL DOCUMENTS: It is the responsibility of each Traveler to obtain and carry a valid passport, visa(s), and all other documents required by applicable government regulations. When traveling domestically or internationally, the U.S. Transportation Security Administration (TSA) and U.S. Department of Homeland Security (DHS) advise that everyone carry acceptable identification in order to board a flight. Acceptable identification can be found at <http://www.tsa.gov/traveler-information/acceptable-ids>. The name, date of birth and gender that appears on the identification card must exactly match the same such data that is listed on airline ticket(s) and booking records. You acknowledge any failure to strictly comply with these requirements may result in denied boarding or an undue delay at an airport security checkpoint causing Traveler to miss flight(s), and subsequent scheduled travel bookings on cruises and tours.

Travel documents include, without limitation, airline tickets, hotel vouchers, tour vouchers, or any other document (whether in electronic form or otherwise) used to confirm an arrangement with a service provider. Travel documents may be subject to certain

conditions and/or restrictions such as, but not limited to, being non-refundable, non-date-changeable, and subject to cancellation and/or amendment fees. Travel documents cannot be transferred to another person to use. All airline tickets must be issued in the name of the passport/photo identity holder. An incorrect name on a booking may result in an inability to use that booking and the booking being cancelled. Any errors in names, dates, and timings may result in an inability to use that booking and the booking being cancelled. Any errors in names, dates, and timings on your documentation will be your responsibility if we are not advised at the time of booking. Please reconfirm your flights at least 24 hours prior to departure.

PRE-DEPARTURE INFORMATION: Upon receipt of your registration and deposit, we will send you an electronic pre-departure packet containing all the information you need to prepare for your tour, including the complete itinerary, packing checklist, required documents, insurance information, etc.

FINAL DOCUMENTS: Electronic final documents and air e-tickets will be sent to you approximately two weeks prior to departure, provided all monies have been paid in full.

TRANSPORTATION

AIR TRANSPORTATION: Your program does not include international airfare. If you require assistance, contact Classic Escapes.

FREQUENT FLYER MILEAGE: Check on the airline's website to enquire who their partners are. Obtain frequent flyer mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit.

TRANSFERS: Roundtrip airport transfers are included in the tour for guests arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

FLIGHT CONFIRMATION: We strongly suggest that you reconfirm exact flight times with the carrier prior to departure. Air travelers are required to check in at least 2 hours prior to departure time for domestic flights and 3 hours for international flights and must report to the gate at least 30 minutes prior to departure time. Failure to comply may result in the loss of the seat to another passenger.

HAZARDOUS MATERIALS: Federal law prohibits passengers from bringing hazardous materials on the aircraft. Federal law forbids the carriage of hazardous materials aboard aircraft in the passenger's luggage or on the passenger's person. A violation can result in five years' imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives, and radioactive materials. Examples: Paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radiopharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in the passenger's luggage and certain smoking materials carried on the passenger's person. For further information, each passenger should contact the relevant airline representative(s) on their itinerary. Restrictions on hazardous materials are listed <http://www.tsa.gov/traveler-information/prohibited-items>.

INSECTICIDE NOTICE: Some countries require insecticide spraying of aircraft prior to a flight or while you are on the aircraft. We recommend that you refer to the Department of Transportation's list of airports in countries that require airlines to treat the passenger cabin with insecticides prior to the flight or while on the aircraft available at <https://www.dot.gov/office-policy/aviation-policy/aircraft-disinsection-requirements>.

BAGGAGE & FEES: Additional fees for baggage may apply. Please contact your airline or refer to its website for detailed information regarding its checked baggage policies. On average, international flights from the USA allow one piece of checked luggage, not exceeding 50 pounds, plus a carry-on piece not exceeding 15 pounds; however, we always recommend that you check your airline's policy just before departure, as luggage limitations are always subject to change. There may also be luggage and weight restrictions for your destination and that information will be forwarded to you with your pre-departure material and also listed on your final documents.

LUGGAGE ALLOWANCES ON INTERNAL FLIGHTS: Your journey includes internal flights.

Check-in Baggage allowance on Indigo Flights in Economy Class is 15 Kg (33 lbs.) per person.

Extra baggage allowance can be pre-purchased. Charge for excess baggage is approx.: USD \$7 per Kg. (2.2 lbs., subject to change).

AIRLINE CLAUSE: The airlines concerned are not to be held liable for any act, omission, or event during the time the passengers are not on board their planes or conveyance. The passengers' tickets in use by the airline or by other carriers concerned when issued shall constitute the sole contract between the airlines and the purchaser of these tickets and/or passengers.

DELAYS: We cannot be held liable for any delays or additional costs incurred as a result of airlines not running to schedule. Any additional land or air fees imposed on account of airline delays will be borne by the traveler.
