YOUR HOSTS: MEG GAMMAGE-TUCKER & AARON CLEVELAND

"In Life, It's Not Where You Go, It's Who You Travel With," Charles Schulz.

A husband-and-wife team, **Aaron and Meg** have traveled the world together.

Aaron Cleveland is an animal expert, conservationist, educator, former zoo director, and exhibit fabricator and designer for some of the best zoos and museums in the United States. With his varied background, Aaron has consulted on animal issues with zoos and has had exhibits in some of the best museums and zoos in America, like the *Peabody Essex Museum* and *Chicago's Brookfield Zoo*. Aaron formerly worked for *Classic Escapes*, so he knows the ins and outs of travel, and has toured extensively throughout the United States, Canada, the United Kingdom, India, and Africa. Aaron is a member of the *Education Committee* for the *Zoological Association of America*, and has authored zoological papers on obscure topics such as tarantula taxonomy. He excels at finding the overlooked animals and experiences – from walking sticks and small frogs to little mongooses and camouflaged chameleons – and he is first in line for new cultural experiences with the locals; traveling with Aaron is an adventure! *"I know you will encounter the mega-vertebrates and the main "touristy" spots; I'll show you the unique, bizarre, and fun things!," Aaron.*

Meg Gammage-Tucker, PhD, CFRE, has a professional history as a fundraiser and anthropologist in the very best museums and zoos in the United States. Domestically, Meg is involved in animal legislation, as a member of the *Zoological Association of America's Government Relations Committee* and as the *Director of the National Bird Initiative*. Combining this background with international conservation work with rhinoceroses, she is the former *President of the Rhino Trust* (until she merged it with the *International Rhino Foundation*). Her current work as the *Chair of the GLOBIO* and *Board Member for the Pan African Sanctuary Alliance* - both focusing on great apes, makes Meg is an incredibly knowledgeable travel leader. Her past work as the *CEO of the National Eagle Center* re-ignited a passion for raptors and indigenous communities. She has traveled throughout the United States and Canada, South America, Europe, and Africa. *"I learn so much traveling, come teach me something," Meg.*

"No one realizes how beautiful it is to travel until he comes home and rests his head on an old familiar pillow," Lin Yutong

YOUR NATURALIST GUIDE: PETER NJUGUNA

Peter Njuguna, one of the most experienced naturalist guides in Kenya, has been escorting safaris since 1986. Peter is of the Kikuyu tribe from the Rift Valley area, and is a graduate of the Swiss Government Tourism and Hotel School as well as Kenya's Utali College. Peter feels that promoting understanding between cultures will not only increase our global views, but create a better world for wildlife. His quiet manner combined with expert knowledge on Kenya's wildlife and culture make him one of our most requested and versatile guides.

DAYS 3/4~THURSDAY/FRIDAY~ OCTOBER 31/NOVEMBER 1

NAIROBI/AMBOSELI NATIONAL PARK/ MOUNT KILIMANJARO

Your morning drive takes you to Amboseli National Park, at the foot of Mount Kilimanjaro (*an optional flight between Nairobi and Amboseli is available at a cost of \$350 per person.*) The snow-capped peak of Mount Kilimanjaro, Africa's highest mountain (19,340 feet), rises above the clouds and dominates every aspect of Amboseli. The next few days are spent discovering the park and plentiful wildlife that made East Africa legendary. While the park covers only 150 square miles its small size and fragile ecosystem supports a wide range of mammals including lion, buffalo, cheetah, giraffe, baboon, gazelle and wildebeest (well over 50 of the larger species) and birds (over 400 species). Herds of elephants feed on large, feathery acacia trees.

The park is in Maasailand and, as you traverse their territory, you may see a proud Maasai warrior or small children tending their cattle. Despite the harsh conditions, animals and humans have learned to coexist and thrive together. Amboseli is the site where writers such as Ernest Hemingway and Robert Ruark set their famed stories of big-game hunting in the wilds of Africa. It is also where Cynthia Moss, the noted American naturalist and author, conducted one of the longest-running studies on elephants. You might even see some of the elephants that Cynthia immortalized in her books and award-winning film *Echo of the Elephants*.

In the shadow of Mount Kilimanjaro, beside a copse of giant acacia trees and a gently flowing natural spring, stands Amboseli Serena Safari Lodge. With Kilimanjaro's 19,340-foot snow-capped summit presiding over the landscape, the setting is unrivaled. All around the lodge roams the wildlife that has made East Africa legendary – lion, buffalo, cheetah, giraffe, baboon, gazelle, and wildebeest. Influenced by native Maasai architecture, the lodge is in perfect harmony with its environment. Beautifully landscaped gardens, unique guest services, and exceptional amenities enhance the distinctive ambiance. The uniquely constructed ivory class guest rooms – 96 in total – with en-suite bathrooms, individually appointed with authentic Africana and murals painted by a renowned local artist, convey a distinctive Maasai Manyatta mood. Grouped in the manner of a Maasai village, each room enjoys a view of either majestic Mount Kilimanjaro or the expansive Amboseli plains, which are home to herds of elephants that feed on the large, feathery acacia trees. Overlooking the saltlick and floodlit waterhole, the open-air dining room serves guests sumptuous international menus, buffets, and barbecues alongside authentic African dishes. A full-service bar and a refreshing outdoor pool are some of the other luxuries one is expected to find at this lodge. Free Wi-fi.

DAYS 5/6~SATURDAY/SUNDAY~NOVEMBER 2/3

SWEETWATERS

Another adventure begins when you drive today to the heart of a privately-owned 24,000-acre reserve, where your luxurious tented camp with magnificent views of Mt. Kenya awaits you. One of only four private wildlife reserves in Kenya, your under-canvas experience includes daytime wildlife drives through the Ol Pejeta Conservancy in search of the 'Big Five'. Watch a parade of elephants, giraffes, zebras, and impalas come to drink at the camp's floodlit waterhole and saltlick. Optional activities that you may choose include a night drive in search of nocturnal species, a camel safari, a walking safari, and much more.

During your stay here, you will also visit the 200-acre chimpanzee sanctuary that has been set up here. Although chimps are not indigenous to Kenya, the aim of the project, initiated by Kenya Wildlife Services and the Jane Goodall Institute, was to set up a colony where chimps could be introduced, rehabilitated, and taught to fend for themselves in an area similar to their natural living conditions. Priority is given to orphaned and abused chimps. The sanctuary currently has over 40 chimps. There is also the visitor's information center at Morani's Boma.

Accommodation is provided in luxuriously appointed tents set under thatched roofs, with en-suite facilities and private verandahs. All tents face the waterhole, and often the best time to be had is just sitting on your private porch watching the procession of animals that are attracted to the waterhole and observing their behavior. Free Wi-Fi.

DAY 7~MONDAY~NOVEMBER 4

LAKE NAKURU NATIONAL PARK

You will now explore the Great Rift Valley, a huge geological fault-line that stretches around one-sixth of the Earth's circumference and is visible from far out in space. At 2,000 feet deep and 30 miles wide, it runs as far as the eye can see. Its walls are sheer and high and along its length, there are

many volcanoes, most now dormant. With bubbling springs and geysers, the landscape is spectacular. Lake Nakuru National Park boasts a huge variety of animals, including leopard, often found snoozing on the branches of the magnificent, yellow-barked acacias, lion, buffalo, hippo, waterbuck, warthog, baboon, the endangered Rothschild's giraffe only found in this park in Kenya, white rhino and the rare black rhino which is protected and guarded here. For the bird-watching enthusiast there are 450 species found in the park vicinity, with a vast concentration of water birds including Marabou Stork, pelican, and at times, flocks of flamingo.

Your accommodation for the night is at the Flamingo Hill Camp, a small and exclusive eco-friendly establishment, within the National Park. The camp has 25 tents all of them furnished with the understated luxury required by the modern traveler. Decorated in calming safari tones, natural woods, wrought iron and crisp cottons each tent has been meticulously planned to maximize comfort. All tents have en-suite with shower (hot and cold running water), private verandah overlooking the plains and electricity.

Overnight at the FLAMINGO HILL CAMP. (B,L,D) www.flamingohillcamp.com/

DAYS 8/9~TUESDAY/WEDNESDAY~ NOVEMBER 5/6

MAASAI MARA/NORTHERN SERENGETI

Your comfortable minibus now takes you to the Maasai Mara, Kenya's most famous wildlife reserve, which provided much of the setting for the film, *Out of Africa*. It is classic savannah – grasslands, where the animals are plentiful and the vistas spectacular. In this dreamlike land, animals live in freedom, and the Maasai tend their cattle, all sharing the same land with minimal conflict. You will have three days of wildlife-viewing opportunities in the Maasai Mara Reserve, also known as the "Jewel of Africa," a site with one of the largest and most spectacular animal migrations in the world. The reserve is inhabited by many of Africa's most popular wild animals, including lion, cheetah, elephant, leopard, black rhino, and hippo. There are also over 500 resident species of birds in the park including ostrich, larks, and sunbirds as well as the lovely Lilac-breasted Roller.

The area is famous for rolling grassland and for the Mara River, which runs through the reserve from north to south. The reserve covers an area of 700 square miles and forms part of the Serengeti ecosystem, hosting the world-famous spectacle of the annual migration of up to two million wildebeest, thousands of zebra and an escort of carnivores from the Serengeti plains that follow the rains and succulent new grass. A costly trek as many of the lame, laggard and sick will fall prey to the ravening pack of predators and many more will die in the swirling flood waters of the Mara River as they try to cross it. While it is a bit too late for the migration in November, you might still see some lines of wildebeest returning to the Serengeti, but bear in mind that the Mara has its own resident herds and you're sure to see plenty of wildlife! The Mara also has one of the highest concentrations of cheetah on the continent, as well as many magnificent black-maned lions.

While in the Mara, you can take an optional balloon safari for an exhilarating experience over the savannah as the early sun rises and the animals are more active.

The Mara Serena Safari Lodge is an interpretation of a traditional Maasai Manyatta village of domed huts. Accommodation is offered in 73 guestrooms, all of which have been styled to mirror the circular motif of a traditional Maasai Manyatta village of domed huts. The wide-spaced and secluded rooms have been individually styled in exuberant bush colors and feature large spacious en-suite bathrooms. It is set on the saddle of a hill where it overlooks the 695 square miles of rolling plains, woodlands and rivers that make up the Maasai Mara Triangle – one of the world's richest wildlife sanctuaries. No other lodge has such a spectacular view of the surrounding landscape or the wildlife and birdlife that inhabit it. It is on this very terrain stretching endlessly before the lodge where the annual migration takes place, where millions of wildebeest, zebra and gazelle traverse the landscape to feed on the rich new grass and give birth to their young.

DAYS 10/11~THURSDAY/FRIDAY~ NOVEMBER 7/8
MAASAI MARA/NAIROBI/EN ROUTE/USA

A last chance to photograph that awesome sunrise before driving back to Nairobi. (An optional flight is available for \$350 per person.) If required, a day room can be supplied for you at the CROWNE PLAZA HOTEL for an additional \$350 per room. Soon you are escorted to the airport for your flight back home. As your journey comes to a close, you say a fond farewell to your driver/guides and promise to come back in the not-too-distant future. (B, Meals Aloft)

OPTIONAL EXCURSIONS IN THE MAASAI MARA & AMBOSELI

Experience an exhilarating balloon safari for the most incredible way of viewing wildlife. It begins in the early morning after you observe the inflating of the balloon, and you have an hour of uninterrupted views of wildlife from the air – the best way to see the incessant movement of animals and the fabulous vistas of Tanzania and Kenya. During the flight, you will ascend to a high altitude to take in an amazing panoramic view and then descend to treetop level and silently glide above the wildlife below. Upon landing, enjoy a “bubbly” brunch, set especially for you in the middle of the plains. Zebra and elephants may be your dining guests, and Africa’s colorful birds may vie for a crumb of your bread. You then meet with your driver/guide and continue your safari. Many consider this one of the most memorable experiences of their safari.

Flying high up in the skies of the **Maasai Mara Game Reserve**, you view an endless magical array of savannahs, rivers, forests, and escarpments. If your visit is between July and October, the Mara plays host to the great migration, and there’s nothing like this unparalleled phenomenon of migrating herds of zebra, wildebeest, and gazelle to view from the air. But, whether the migration is in the Mara or not, watching predators such as lions and cheetahs hunting their prey, and looking for all the marvels of the bush, is exciting and never gets old!

From the sunrise to the East, the magnificent Mt. Kilimanjaro to the south, and the **Amboseli National Park** immediately to the north, you will see a full array of wildlife, including the area’s renowned elephant herds. From the air, see the Maasai manyattas and varied topography of Amboseli, and relish the feel of floating as the earth comes alive and the sky is painted with colorful strokes at sunrise.

THINGS YOU NEED TO KNOW ABOUT KENYA

Participants

- Must be able to climb in and out of, as well as move around in confined quarters within safari 4 x 4 vehicles, minibuses, and small aircrafts unassisted. People need to be willing to rotate seats.
- Must be able to tolerate riding on uncomfortably uneven, bumpy roads (some with many potholes) for long periods of time (6-9 hours maximum), as well as some off-road experiences when opportunities allow.
- Must be able to stand and/or walk moderate distances when visiting villages, towns, or other sites. This walking will be on uneven ground or uphill, often at altitudes many people are not used to.
- Should generally be in good health and prepared to travel in locations without medical facilities.

In general, this trip requires:

- Flexibility and good humor – unexpected changes and/or glitches will occur
- A spirit of adventure and curiosity
- Interest in and willingness to appreciate a destination with a modest infrastructure and a bending definition of comfort. That being said, some locations are nestled in absolute luxury where pampering is the norm.

Air Schedules

The cost of your program does not include international airfare. If you require assistance, please contact Classic Escapes at 718-280-5002 and we will happily provide air quotes to you. You may make your own international air arrangements, but please ensure you arrive/depart on the correct dates. Contact your Journey Manager at Classic Escapes to verify the dates to ensure there are no errors. **The start and end city for the land-only program is Nairobi, Kenya.**

*Upon registration, you must provide your full legal name as it appears on your passport. In the event an airline ticket is issued with incorrect information you have provided, you will be responsible for charges associated with reissuing the **ticket**.*

SAFARI AIR LUGGAGE RESTRICTIONS

It is of vital importance that all guests traveling to Kenya strictly adhere to the luggage limits and regulations as stipulated below.

LUGGAGE WEIGHT LIMIT PER PERSON *	33Lbs. (15kg) – total weight inclusive of luggage and hand luggage/camera equipment. Carry-ons may not weigh more than 4 lbs. (2 kg)
LUGGAGE TYPE	Soft-sided (all sides) bags – no hard-shelled bags or frames allowed. Wheels should be avoided.
LUGGAGE DIMENSIONS**	12 inches wide x 10 inches high x 24 inches long.

Please note:

**This is the total weight including both luggage and hand luggage/camera equipment.*

This is a safety requirement due to the sensitive weight and balance checks on small aircraft and must be strictly adhered to. Travelers who require additional luggage must pre-book and pay for this on confirmation of the reservation. We would like to remind you that laundry services are available in all camps and lodges.

****Please keep in mind that the baggage compartments on most light aircraft are only 10 inches (25 cm.) high, so the pilots must have the ability to manipulate the bag into the compartment.**

HANDLING OF INCORRECT LUGGAGE ON ARRIVAL

The carriage of excess baggage is at the sole discretion of the Company after taking into consideration the aircraft being used and the number of passengers booked. When excess baggage is carried it will be charged at the prevailing rate. Excess luggage is charged at USD \$3.00 per kilogram. Guests who are unable to depart on the scheduled charter will be given the option to book a private charter at additional costs to be paid directly prior to departure and subject to the availability of aircraft at the time of booking these flights. No refunds on the costs paid for scheduled charters that were missed due to their incorrect luggage and or accommodation not provided due to this delay will be provided. In all cases, additional arrangements for transfers, overnight accommodation in the Serengeti or Arusha, and meals are on the guests' own account.

ASSISTANCE WITH BAGGAGE PRIOR TO ARRIVAL

Should guests be traveling with the incorrect luggage and require assistance with storage (which we offer at no additional cost) or transportation to their point of departure from Kenya (transportation costs apply), this can be arranged provided this has been brought to our attention prior to their arrival in Kenya, preferably at the time of final booking confirmation.

BRING-A-BOOK FOUNDATION

Your safari will include a visit to a local school. We encourage you to bring colorful books and magazines, as well as school supplies such as pens, paper, crayons, soccer balls, etc., which you can present to the children during your visit. Many of these children have never owned a book in their life and the connection you'll make with them is invaluable. You'll find that children in the schools are eager to meet with visitors, practice their English, learn about your culture and proudly share their own. You are often welcomed with a local song or dance.

After seeing schools first hand, meeting the dedicated teachers working under the most difficult conditions and children hungry for knowledge, many travelers have wanted to help the schools they visited or continue to support a child's learning opportunities after they return to their homes. Bring-A-Book is an innovative effort adopted by Classic Escapes to expand education opportunities for school children. The Bring-A-Book Foundation is a registered Kenyan Charitable Trust that was created as a way to facilitate travelers' wishes to help the schools and is used to get books into the hands of children as quickly and economically as possible. With compassionate ground operators such as Rangers Safaris, Wilderness Safaris and &Beyond, Classic Escapes has expanded the reach of BAB to Tanzania, South Africa and Zambia, and plans to expand to other countries as well. Information will be given to you with your final documents, but if you wish to help further, feel free to call Classic Escapes at 800-627-1244 for details.

CLASSIC ESCAPES CONSERVATION FUND

In keeping with our mission to provide exciting, educational, and fun-filled experiences that nurture and directly support the diverse wildlife and cultures we visit around the world, Classic Escapes has established the Classic Escapes Conservation Fund to ensure that a percentage of all profits go to support conservation and wildlife researchers performing their critical work in the field. Project support has included wild dog, elephant, rhino and cheetah conservation in Botswana, Kenya, Tanzania and Namibia, penguins in Punta San Juan Peru, tiger preservation in India, and sponsoring school children in Kenya, among many other projects around the world. By traveling with Classic Escapes, you are supporting travel as a tool for building the mutual respect, awareness and understanding that are vital to preserving this planet for future generations.

DOCUMENTS

PASSPORTS: All individuals departing from the United States of America must be in possession of a valid passport. Please check that your passport is valid for at least 6 months beyond your intended return date. It is your responsibility to ensure that you have valid travel documentation, including but not limited to passports and visas, which meet the requirements of immigration and other government authorities at every destination. You are responsible for confirming with the United States Department of State or the representative government agency of the country to which you are traveling to confirm the requirements for visas and/or other requirements for admission to your destination. Any fines, penalties, payments, or expenditures incurred as a result of such documents not meeting the requirements of those authorities will be your sole responsibility.

REAL ID: Beginning October 1, 2021, if you plan to use your state-issued ID or license to fly within the U.S., it is your responsibility to make sure it is REAL ID compliant. If you are not sure if your ID complies, please check with your local state Department of Motor Vehicles or visit www.tsa.gov/real-id.

TRAVEL DOCUMENTS: It is the responsibility of each Traveler to obtain and carry a valid passport, visa(s), and all other documents required by applicable government regulations. When traveling domestically or internationally, the U.S. Transportation Security Administration (TSA) and U.S. Department of Homeland Security (DHS) advise that everyone carry acceptable identification in order to board a flight. Acceptable identification can be found at <http://www.tsa.gov/traveler-information/acceptable-ids>. The name, date of birth, and gender that appears on the identification card must exactly match the same such data that is listed on airline ticket(s) and booking records. You acknowledge any failure to strictly comply with these requirements may result in denied boarding or an undue delay at an airport security checkpoint causing the Traveler to miss flight(s), and subsequent scheduled travel bookings on cruises and tours.

Travel documents include, without limitation, airline tickets, hotel vouchers, tour vouchers, or any other document (whether in electronic form or otherwise) used to confirm an arrangement with a service provider. Travel documents may be subject to certain conditions and/or restrictions such as, but not limited to, being non-refundable, non-date-changeable, and subject to cancellation and/or amendment fees. Travel documents cannot be transferred to another person to use. All airline tickets must be issued in the exact name of the passport/photo identity holder. An incorrect name on a booking may result in an inability to use that booking and the booking being canceled. Any errors in names, dates, and timings may result in an inability to use that booking and the booking being canceled. Any errors in names, dates, and timings on your documentation will be your responsibility if we are not advised at the time of booking. Please reconfirm your flights at least 24 hours prior to departure.

PRE-DEPARTURE INFORMATION: Upon receipt of your registration and deposit, we will send you an electronic pre-departure packet containing all the information you need to prepare for your tour, including the complete itinerary, packing checklist, required documents, insurance information, etc.

FINAL DOCUMENTS: Electronic final documents and air e-tickets will be sent to you approximately two weeks prior to departure, provided all monies have been paid in full.

TRANSPORTATION

AIR TRANSPORTATION: Your program does not include international airfare. If you require assistance, contact Classic Escapes.

AIRLINE SEATING: We request seats together for the group wherever possible. All planes are non-smoking. We can request a seating preference on your behalf, however, requested seats cannot be guaranteed. Requests should be made in writing no later than 60 days prior to departure. Bulkhead and/or emergency row seats can only be requested at airport check-in on the day of departure. Classic Escapes cannot provide the **Comfort Seating Service** as this is available on specific flights subject to availability and commercial laws as determined by each airline and at their own discretion. Boarding passes are generally issued at the airport on the day of departure, or in some cases if you pre-check yourself 24 hours prior to departure. You may inquire about seat changes during check-in at the airport, based on availability, and is at the sole discretion of airline staff.

FREQUENT FLYER MILEAGE: Check on the airline's website to enquire who their partners are. Obtain frequent flyer mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit.

TRANSFERS: Roundtrip airport transfers are included in the tour for guests arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

FLIGHT CONFIRMATION: We strongly suggest that you reconfirm exact flight times with the carrier prior to departure. Air travelers are required to check in at least 2 hours prior to departure time for domestic flights and 3 hours for international flights and must report to the gate at least 30 minutes prior to departure time. Failure to comply may result in the loss of the seat to another passenger.

HAZARDOUS MATERIALS: Federal law prohibits passengers from bringing hazardous materials on the aircraft. Federal law forbids the carriage of hazardous materials aboard aircraft in the passenger's luggage or on the passenger's person. A violation can result in five years of imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives, and radioactive materials. Examples: Paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radiopharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in the passenger's luggage and certain smoking materials carried on the passenger's person. For further information, each passenger should contact the relevant airline representative(s) on their itinerary. Restrictions on hazardous materials are listed at <http://www.tsa.gov/traveler-information/prohibited-items>.

INSECTICIDE NOTICE: Some countries require insecticide spraying of aircraft prior to a flight or while you are on the aircraft. We recommend that you refer to the Department of Transportation's list of airports in countries that require airlines to treat the passenger cabin with insecticides prior to the flight or while on the aircraft available at <https://www.dot.gov/office-policy/aviation-policy/aircraft-disinsection-requirements>.

BAGGAGE & FEES: Additional fees for baggage may apply. Please contact your airline or refer to its website for detailed information regarding its checked baggage policies. On average, international flights from the USA allow one piece of checked luggage, not exceeding 50 pounds, plus a carry-on piece not exceeding 15 pounds; however, we always recommend that you check your airline's policy just before departure, as luggage limitations are always subject to change. There may also be luggage and weight restrictions for your destination and that information will be forwarded to you with your pre-departure material and also listed on your final documents.

LUGGAGE ALLOWANCES ON INTERNAL FLIGHTS: Your journey includes optional internal flights aboard light aircraft which are designed with a maximum luggage allowance; this is closely monitored by the flight operators for safety reasons. You are allowed one carry-on and one piece of luggage, a total weight of **44 lbs. (20 kgs.)** per person including the camera equipment. Further, only soft-sided duffel bags are accepted, **without wheels**, as they stow best in vehicles and airplanes with limited space.

PERSONAL WEIGHT ALLOWANCES ON INTERNAL FLIGHTS: Your journey includes internal flights aboard light aircraft which are designed with maximum body weight and luggage allowance; this is closely monitored by the flight operators for safety reasons. If your personal weight exceeds **85 kilos (187 lbs.)** you may be required to purchase an extra seat and your Classic Escapes Journey Manager will contact you should this be necessary.

AIRLINE CLAUSE: The airlines concerned are not to be held liable for any act, omission, or event during the time the passengers are not on board their planes or conveyance. The passengers' tickets in use by the airline or by other carriers concerned when issued shall constitute the sole contract between the airlines and the purchaser of these tickets and/or passengers.

DELAYS: We cannot be held liable for any delays or additional costs incurred as a result of airlines not running to schedule. Any additional land or air fees imposed on account of airline delays will be borne by the traveler.
