DAYS 3/4/5~ WEDNESDAY/THURSDAY/FRIDAY~ MAY 28/29/30

MATOBO HILLS NATIONAL PARK~ CAMP AMALINDA

Return to the airport in the morning for your flight to Bulawayo, Zimbabwe's second largest city and drive south towards Matobo Hills National Park and Camp Amalinda, your home for the next three nights. The Matobo National Park is the oldest in Zimbabwe and the Matobo Hills which was known for many years as the Rhodes Matobo National Park have been included into the World Heritage list. The park is small, covering 110,000 acres, easily accessible with stunning landscapes and superb wildlife viewing. The Matobo Hills National Park is one of Zimbabwe's prime wildlife sanctuaries with a large population of white rhino, the elusive black rhino, a variety of antelope species, baboon, rock hyrax and a large population of leopard; the rocky outcrops and dense undergrowth provide perfect cover for hunting and breeding. The park is also famous for its Black Eagle population, African Hawk and the Cape Eagle Owl.

The area has a rich human history; the park has more than 3000 rock art sites dating back from 320-500 AD, and other historical treasures such as 20,000-year-old stone tools. Bushmen lived in this area 2,000 years ago and left behind a large collection of rock art behind, much of which has been well preserved. There are numerous sites where San rock art can be seen, many of them at places which were used for significant spiritual rituals. The local Ndebele claim this land as a sacred shrine and still pray to Mwali to petition for rain. The area was critical during the Matabele rebellion and was the meeting point for Sir Cecil John Rhodes and the Ndebele chiefs, and where they finally signed their treaty of peace. In

colonial times, Matobo Hills was loved by Cecil Rhodes, so he requested, and was granted permission, to be buried there. His grave, carved out from the rock, is marked by a brass plaque at the aptly named World's View, a vantage point high up on the rocks.

If only they could speak... Huge granite masses – seamed, split, shaped, and sculptured by time and the elements - form an array of giant whalebacks and castellated kopjes that cover 1, 158.306 square miles of Matabeleland South Province. Much of the country's history has been written and played out within the confines of the Matobo Hills - from the time thousands of years ago when ancient Bushmen used the granite.

During your stay, you will have the opportunity to visit Chipangali Wildlife Orphanage and research project. The word Chipangali means 'open friendly country' and it's a haven for wild animals that had little hope to survive in the wild. Founded in 1973 by the late Vivian Wilson and his wife Paddy, over the years Chipangali has saved countless lives releasing creatures into the wild after rigorous preparation. You will learn about the projects they're working on and meet some of the animals during your visit. Chipangali is dedicated to the rescue and care of animals in Southern Africa that are orphaned, injured, abandoned, abused, or confiscated, and the ultimate goal is to rehabilitate them and return them to the wild. If not possible to return them to the wild, animals are kept for educational purposes and captive breeding. Through the years, Diana, Princess of Wales, and Stefanie Powers have been some of the celebrity patrons of the organization.

Nestled in this unique range of hills is Camp

Amalinda which has just nine thatched chalets which are comfortable, clean and very original in design. The rooms are built around the huge granite boulders each individually decorated having its own look and feel. The lounge and entertainment area are tucked away into a Bushman shelter with a panoramic view of the Matobo Hills. At the base of the camp stands a large swimming pool and a bar, all overlooking a waterhole. Near the pool is the Heritage Spa. Delicious meals are served on a massive teak table in the open-air dining room.

DAYS 9/10~ TUESDAY/WEDNESDAY~ JUNE 3/4
HWANGE NATIONAL PARK/VICTORIA FALLS~ OLD DRIFT LODGE

Leave Hwange behind as you fly to Victoria Falls, and your accommodation at Old Drift Lodge, your home for the next two nights.

At more than twice the size of Niagara Falls it's no surprise that Victoria Falls are among the Seven Wonders of the World. Mosi-oa-Tunya - *The Smoke that Thunders*, derived from the towering column of spray when the Zambezi River runs high, is the name that Zimbabwe's local people have given to this awesome natural phenomenon. The name is probably more appropriate and descriptive than "Victoria", which has a far too calm and composed ring to it to do justice to the masses of thundering, swirling water of these spectacular falls. But all Dr. David Livingstone probably thought of when he named the falls after his Queen in 1855 was his royal duty. Five separate falls make up this incredible spectacle that plunges more than 300 feet into a sheer-sided chasm which separates Zimbabwe from Zambia. The awe-inspiring abyss is spanned by a 1905 Edwardian bridge which links the two countries. The masses of water plunging down the falls and into the gorge below originate from the mighty Zambezi River that meanders through more than 1,677 miles of African countryside.

Your visit will begin with an afternoon sundowner cruise, a highlight as you glide along the Zambezi River, watching hippos snort, elephants drink on the riverbank, monkeys jump from branch to branch, birds fly overhead, or pose for a photograph on the branches, and much more. Enjoy your gin and tonic, cool beer, or drink of choice, and see a panoramic sunset as the sun dips below the horizon, painting the whole area in unbelievable colors of brilliant reds, yellows, purples, and mauves.

You will also get a tour of the Falls on the Zimbabwe side to explore the rainforest of the Victoria Falls and the abundance of birdlife that can be found there. Amble along the scenic pathway, stopping at spectacular vantage points along the way. Learn about the Falls which are among the Seven Natural Wonders of the World. Your lodge also offers the following activities:

- Morning or Afternoon Game drives in the Zambezi National Park
- Morning or Afternoon River Safaris
- Morning or Afternoon Guided Walking Safaris
- A Lunch at the Lookout Cafe - Including drinks

Old Drift Lodge opened in January 2018 and is your home for two nights. This luxurious lodge is located within the Zambezi National Park and has 10 double suites and four family suites all decorated with stylish furnishings, fitting of a bygone era, and blend in seamlessly with the natural environment. The spacious canvas ensuite rooms have a private lounge, viewing and "sleep-out" deck, indoor and outdoor showers, plunge pool and an outdoor bath overlooking the Zambezi. The main lodge area has 360-degree views, north facing onto the Zambezi and south facing onto a water hole.

DAYS 11/12/13~THURSDAY/FRIDAY/SATURDAY~ JUNE 5/6/7 LOWER ZAMBEZI NATIONAL PARK~ CHIAWA CAMP

Cross over to Zambia and to the Livingstone airport, where you will board your light aircraft to Lower Zambezi Valley. This area is home to a large number of mammal species including elephant, hippo, buffalo, kudu, zebra, impala, bushbuck, duiker, klipspringer, lion, leopard, hyena, African wild dog, serval, civet, genet, aardvark, chacma baboon and vervet monkey, just to name a bunch. The Lower Zambezi Valley remains a huge and untamed wilderness, sparingly inhabited by local tribesman, rich in big animal and bird life.

The beauty of the Lower Zambezi National Park is its state of absolute wilderness. Lying in the Lower Zambezi Valley between the rolling hills of the hazy escarpment and the Zambezi River, it is sprinkled with reed islands, which are home and feeding ground for many animals. The mighty Zambezi River shaped this wild land.

After thundering over Victoria Falls miles upstream, the massive river slows behind the massive dam that created Lake Kariba and then, unfettered, pushes its way east through the Zambezi Valley toward Mozambique and the Indian Ocean.

The wildlife punctuates this landscape perfectly, leaving the visitor often at a loss as to which to admire more, the scenery or the animals. With the Zambezi River as one of the park's natural boundaries, the area also attracts an abundance of birdlife estimated to include almost 400 species. Bird watchers will be delighted at the variety of colorful birds such as Scarlet and Green Lovebirds, Yellow, Blue and Gray Parrots, Azure Kingfishers and Large-beaked Hornbills. You will also hear one of the most unforgettable cries of Africa – the eerie lament of the African Fish Eagle.

Your daily adventures will feature wildlife viewing by vehicle, boat or canoe, so as to see animals in the least obtrusive manner possible as they go about their daily lives in the valley, along the river, and on the many islands.

Your intimate family-owned tented camp is in the Chiawa concession and is nestled along the riverbank beneath a canopy of winterthorn trees at the confluence of the Zambezi and Chongwe Rivers, bordering the Lower Zambezi National Park. Elephants wander through the camp and the views are breathtaking. A seating area with plush cushions, spacious dining area, an open-sandy campfire next to the river, and a swimming pool round out the facilities in this marvelous camp, offering you the ultimate relaxation and activities to ensure a most amazing experience in the African bush.

OPTIONAL POST-EXTENSION TO SOUTH LUANGWA NATIONAL PARK

DAYS 14/15/16~ SUNDAY/MONDAY/TUESDAY ~ JUNE 8/9/10

LUSAKA/SOUTH LUANGWA NATIONAL PARK

Bid farewell to the rest of the group returning to the USA tonight, and connect with your flight to Mfuwe, gateway to the Luangwa Valley, one of Africa's prime wildlife sanctuaries, boasting a variety and concentration of animals and birdlife that have made it world famous. This is the landscape one thinks of when Africa comes to mind, with herds of antelope sheltering under thorn trees or roaming the plains, predators skulking in the shadows and primordial drama in every vale.

In May 1938 three parks were defined in the valley: The North Luangwa Reserve; the Lukusuzi Reserve; and the South Luangwa Reserve. In 1949 Senior Chief Nsefu established a private reserve on the Luangwa's eastern bank, between the Mwasauke and Kauluzi Rivers. This became the Nsefu Sector, which was absorbed into the boundaries of the present park when new legislation turned all reserves into national parks in February 1972. Nesting at the tail end of the Great Rift Valley, in the Luangwa Valley, the South Luangwa National Park is wild and remote. It has an abundance of wildlife that

is rarely seen in other reserves and is one of the finest wildlife sanctuaries in the world with over 60 species of animals and 400 bird species. The park has 14 different antelope species, most of which are easily seen on drives. This includes the elusive bushbuck, kudu, eland and the impala, which should not be confused with the puku, of similar size but a much fluffier buck with a rich orange coat and also prolific. Duiker, reedbuck, roan, sable, hartebeest, grysbok, klipspringer and oribi also occur but are harder to find.

This huge area of pristine wilderness is also home to the bigger predators. The park has one of the densest populations of leopard in Southern Africa. Lions are as plentiful in the Luangwa as anywhere else in Africa and the excitement of tracking lions and seeing them on a walking safari is unparalleled. Very often they roam in prides of up to 30. The survival of the valley depends on the winding Luangwa River, crowded with hippos, crocodiles and wading waterfowl. Few parks can match this phenomenally high wildlife density, nor do they have the ability to show visitors such remarkable wildlife in so remote and isolated a wilderness.

With about 400 of Zambia's 732 species of birds appearing in the Valley, including 39 birds of prey and 47 migrant species, there is plenty for the birdwatcher to spot, whatever the season. Near the end of the dry season, when the river and oxbow lagoons begin to recede, hundreds of large water birds can be seen wading through the shallows. The red faced Yellow-billed Storks move along with their beaks open underwater, disturbing the muddy liquid with their feet until the fish flop into their mouths. The pelicans tend to operate in lines abreast, driving the fish before them into shallows before scooping them up into their beak pouches. The striking Saddle-bill Stork makes quick darting movements into the water. Of the most beautiful are the elegant Crowned Cranes, with their golden tufts congregating in large flocks at the salt pans. Also seen are swifts, hobbies and bee-eaters, as well as birds of prey such as the Steppe Eagles and Steppe Buzzards that come all the way from Russia. A special sight is the hundreds of brightly colored Carmine Bee-eaters

nesting in the steep sandy banks of the river. The ever-present sound of the birds in the Valley takes some getting used to. An early caller is the Ground Hornbill, looking like a well-dressed turkey, but emitting the sound of a deep base drum. The melodious Heuglin's Robin, the shrill cry of the Fish Eagle and the background cooing of doves and larks add to the orchestra of Africa.

Your days (and nights) here will be spent exploring via wildlife drives and by foot on walking safaris. Morning and late afternoon drives offer excellent opportunities to view the diverse flora and fauna of the area. Afternoon wildlife experiences are topped off with sundowners before returning to camp for exquisite dining. Many times, the wildlife viewing is continued after dark as you search for nocturnal species.

Your home for the next three nights will be at Puku Ridge camp, named for the elusive Puku antelope that inhabits the floodplain, a luxury camp in a remote wildlife rich area in the South Luangwa National Park. The camp is small and intimate, only eight tents, and has been constructed to blend into the local surroundings. All tents feature an indoor and outdoor shower, three-quarter or king size beds, mosquito nets, private deck, ceiling fan and hairdryer. Tea and coffee are brought to the rooms each morning. The common area lounge and gourmet dining are sure to complement your holiday at Puku Ridge.

REFUNDS: While Classic Escapes uses its best endeavors to ensure that all anticipated accommodation is available as planned, there is no claim of any nature whatsoever against Classic Escapes for a refund, in whole or in part, if any accommodation or excursion is unavailable and a reasonable alternative is not found, or if the Traveler is unable to use any service provided in the itinerary.

CHANGES: Once your tour is reserved, changes to the itinerary are possible subject to the availability of air or land space at the time of your request. Should there be any change fees imposed by any airlines or ground operators, or additional costs incurred due to the availability of any space, these costs will be invoiced to you, and you will be responsible for payment thereof.

SPECIAL ARRANGEMENTS: Should you wish to make additional travel plans, including specially arranged pre- or post-tour extensions different than those offered in conjunction with your tour, a service charge of \$150 per person (over and above the cost of the services required) will be assessed.

DOCUMENTS

PASSPORTS: All individuals departing from the United States of America must be in possession of a valid passport. Please check that your passport is valid for at least 6 months beyond your intended return date. It is your responsibility to ensure that you have valid travel documentation, including but not limited to passports and visas, which meet the requirements of immigration and other government authorities at every destination. You are responsible for confirming with the United States Department of State or the representative government agency of the country to which you are traveling to confirm the requirements for visas and/or other requirements for admission to your destination. Any fines, penalties, payments, or expenditures incurred as a result of such documents not meeting the requirements of those authorities will be your sole responsibility.

REAL ID: Beginning October 1, 2021, if you plan to use your state-issued ID or license to fly within the U.S., it is your responsibility to make sure it is REAL ID compliant. If you are not sure if your ID complies, please check with your local state Department of Motor Vehicles or visit www.tsa.gov/real-id.

TRAVEL DOCUMENTS: It is the responsibility of each Traveler to obtain and carry a valid passport, visa(s), and all other documents required by applicable government regulations. When traveling domestically or internationally, the U.S. Transportation Security Administration (TSA) and U.S. Department of Homeland Security (DHS) advise that everyone carry acceptable identification in order to board a flight. Acceptable identification can be found at <http://www.tsa.gov/traveler-information/acceptable-ids>. The name, date of birth and gender that appears on the identification card must exactly match the same such data that is listed on airline ticket(s) and booking records. You acknowledge any failure to strictly comply with these requirements may result in denied boarding or an undue delay at an airport security checkpoint causing Traveler to miss flight(s), and subsequent scheduled travel bookings on cruises and tours.

Travel documents include, without limitation, airline tickets, hotel vouchers, tour vouchers, or any other document (whether in electronic form or otherwise) used to confirm an arrangement with a service provider. Travel documents may be subject to certain

conditions and/or restrictions such as, but not limited to, being non-refundable, non-date-changeable, and subject to cancellation and/or amendment fees. Travel documents cannot be transferred to another person to use. All airline tickets must be issued in the name of the passport/photo identity holder. An incorrect name on a booking may result in an inability to use that booking and the booking being cancelled. Any errors in names, dates, and timings may result in an inability to use that booking and the booking being cancelled. Any errors in names, dates, and timings on your documentation will be your responsibility if we are not advised at the time of booking. Please reconfirm your flights at least 24 hours prior to departure.

PRE-DEPARTURE INFORMATION: Upon receipt of your registration and deposit, we will send you an electronic pre-departure packet containing all the information you need to prepare for your tour, including the complete itinerary, packing checklist, required documents, insurance information, etc.

FINAL DOCUMENTS: Electronic final documents and air e-tickets will be sent to you approximately two weeks prior to departure, provided all monies have been paid in full.

TRANSPORTATION

AIR TRANSPORTATION: Your program does not include international airfare. If you require assistance, contact Classic Escapes.

FREQUENT FLYER MILEAGE: Check on the airline's website to enquire who their partners are. Obtain frequent flyer mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit.

TRANSFERS: Roundtrip airport transfers are included in the tour for guests arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

FLIGHT CONFIRMATION: We strongly suggest that you reconfirm exact flight times with the carrier prior to departure. Air travelers are required to check in at least 2 hours prior to departure time for domestic flights and 3 hours for international flights and must report to the gate at least 30 minutes prior to departure time. Failure to comply may result in the loss of the seat to another passenger.

HAZARDOUS MATERIALS: Federal law prohibits passengers from carrying hazardous materials on the aircraft. Federal law forbids the carriage of hazardous materials aboard aircraft in the passenger's luggage or on the passenger's person. A violation can result in five years' imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives, and radioactive materials. Examples: Paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radiopharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in the passenger's luggage and certain smoking materials carried on the passenger's person. For further information, each passenger should contact the relevant airline representative(s) on their itinerary. Restrictions on hazardous materials are listed <http://www.tsa.gov/traveler-information/prohibited-items>.

INSECTICIDE NOTICE: Some countries require insecticide spraying of aircraft prior to a flight or while you are on the aircraft. We recommend that you refer to the Department of Transportation's list of airports in countries that require airlines to treat the passenger cabin with insecticides prior to the flight or while on the aircraft available at <https://www.dot.gov/office-policy/aviation-policy/aircraft-disinsection-requirements>.

BAGGAGE & FEES: Additional fees for baggage may apply. Please contact your airline or refer to its website for detailed information regarding its checked baggage policies. On average, international flights from the USA allow one piece of checked luggage, not exceeding 50 pounds, plus a carry-on piece not exceeding 15 pounds; however, we always recommend that you check your airline's policy just before departure, as luggage limitations are always subject to change. There may also be luggage and weight restrictions for your destination and that information will be forwarded to you with your pre-departure material and also listed on your final documents.

LUGGAGE ALLOWANCES ON INTERNAL FLIGHTS: Your journey includes internal flights aboard light aircraft which are designed with a maximum luggage allowance; this is closely monitored by the flight operators for safety reasons. You are allowed one carry-on and one piece of luggage, total weight **44.092 Lbs.** (20 kg's) per person including the camera equipment for the flights to South Luangwa. Flights to Lower Zambezi are limited to 33 lbs. (15 kg's.)

AIRLINE CLAUSE: The airlines concerned are not to be held liable for any act, omission, or event during the time the passengers are not on board their planes or conveyance. The passengers' tickets in use by the airline or by other carriers concerned when issued shall constitute the sole contract between the airlines and the purchaser of these tickets and/or passengers.

DELAYS: We cannot be held liable for any delays or additional costs incurred as a result of airlines not running to schedule. Any additional land or air fees imposed on account of airline delays will be borne by the traveler.
