A Map Of Your Journey To Kenya

YOUR HOST:"JUNGLE" JAY R. CHRISTIE & MAGGIE CHRISTIE

"Jungle" Jay R. Christie's passion for caring for animals began at an early age. The first word he could read was "zoo" and all manner of pets made their home at the Christie residence during his formative years. By the age of 26 he had become a zoo director and he is proud alumnus of some of North America's most-visited zoos and safari parks including African Lion Safari in Cambridge, Ontario, the Toronto Zoo and the San Antonio Zoo.

"Jungle" Jay is the founder of Safari Lake Geneva, Wisconsin's first and only conservation park, that he owns with his wife, Maggie. Safari Lake Geneva was the culmination of a lifelong dream for Jay who had envisioned a sanctuary where the some of the world's imperiled species and breeds would find a refuge in surroundings oftentimes very similar to those of their range countries. Just like an African safari, animals at Safari Lake Geneva are free to roam many acres while guests are safely "caged" in their personal vehicles.

A seasoned author and speaker, Jay is a fixture on local television and radio. As Wisconsin's leading exotic animal expert, he has been called upon to assist authorities in several exotic animal rescues. He has served on numerous local and international boards and has served in a leadership capacity on several Association of Zoos and Aquariums (AZA) committees.

Jay holds an MBA from Texas State University and a BA in anthropology from the University of Waterloo in Ontario.

Maggie Christie is passionate about wildlife, learning, and adventure. Her greatest adventure is raising her three children: Audrey, Tucker, and Lorelei. She is married to "Jungle" Jay Christie, with whom she started their family business, Safari Lake Geneva.

With over two decades of field experience, Maggie has contributed to conservation projects in the US and abroad, including long-running studies on eastern Massasauga rattlesnakes and Grenada frogs.

Maggie received a degree in Zoology and Environmental Studies with Honors from the University of Wisconsin-Madison, and a Master's Degree in Wildlife Health and Population Management from the University of Sydney, Australia.

DAY 3~SUNDAY~ NOVEMBER 15
NAIROBI

Your day begins with a game drive in Nairobi National Park, unique in that the Park is the only protected area in the world with a variety of animals and birds close to a capital city. As expected, the park is a principal attraction for visitors to Nairobi. The park also serves many residents and citizens living in the city as it has a diversity of environments with characteristic fauna and flora. Open grass plains with scattered acacia bush are predominant. The western side has a highland dry forest and a permanent river with a riverine forest in the south. In addition, there are stretches of broken bush country and deep, rocky valleys and gorges with scrub and long grass. Man-made dams have also added a further habitat favorable to certain species of birds and other aquatic life forms. The dams also attract water dependent herbivores during the dry season.

The park has a rich/diverse birdlife with 400 species recorded; however, all species are not always present and some are seasonal. Northern migrants pass through the park primarily during late March through April. Nairobi National Park is one of the most successful of Kenya's rhino sanctuaries. It is already generating a stock for reintroduction in the species' former range and other upcoming sanctuaries. Due to this success, it is one of the few parks where a visitor can be certain of seeing a black rhino in its natural habitat.

Continue to The Sheldrick Wildlife Trust at the edge of Nairobi National Park, which is a nursery and rehab center for infant elephants that have lost their families, as well as rhinos and occasionally zebras and other wildlife. Daphne Sheldrick was the first person to successfully master the art of raising orphaned infant elephants. The wife of the famous naturalist David Sheldrick, Daphne had dedicated her life to conservation. David was the founding Warden of Kenya's giant Tsavo East National Park, in which he served from 1948 until his death in 1976. Daphne continued her involvement till her death in April 2018 and had a real impact on the lives of elephants and rhinos, which would have normally died due to human poaching and surrounding population conflict. Their daughter, Angela, now continues this most important work. You'll enjoy a visit with the elephants as they're brought by their keepers to the waterhole and salt lick to be fed and socialize – see how they roll in the mud and play fight and their affectionate interaction with their keepers. Learn the habits of the orphans and many interesting facts about their upkeep. These infants are eventually released into the wild at Tsavo East National Park and end up in the care of other orphans who have been successfully reintroduced to the wild.

Your next stop is at the Kobe Tough Bead Factory. All of the beads and pottery in the shop are designed and created by mothers who would not otherwise have employment. The quality and beauty of designs have made the factory a favorite of locals and visitors alike.

Enjoy lunch at Karen Blixen Coffee Garden and resume your sightseeing at the African Fund for Endangered Wildlife (AFEW Kenya) Giraffe Centre near Giraffe Manor where you may hand-feed the Rothschild giraffes that live here. The giraffes were brought here by Jock and Betty Leslie-Melville, who founded AFEWand built the Giraffe Centre to help educate young African children about wildlife conservation. The Rothschild giraffe is the tallest species and may reach 18 feet in height, but you can see eye to eye with them on the elevated walkway at the center.

Visit the Karen Blixen Museum, the former home of the Danish Baroness, Karen Blixen (1885-1962) author of the book *Out of Africa*. Karen lived in this green residential area from 1914 to 1931 when she left permanently for Denmark. The house was built in 1910 and when Ms. Blixen bought the property, it had 6,000 acres of land but only 600 acres were developed for growing coffee; the rest was retained under natural forest. The house was bought by the Danish Government, which offered it back to Kenya in 1963. In 1986, the house, formerly used as a school, was transformed into a National Museum. Much of the original furniture is on display in the house and most objects were either used by Karen herself or for the shooting of the film, "Out of Africa."

Your welcome dinner has been prepared for you at the Carnivore Restaurant. Carnivore's specialty is meat and features an all-you-can-eat meat buffet. Every type of meat imaginable is roasted on traditional Maasai swords (skewers) over a huge, visually spectacular charcoal pit that dominates the entrance of the restaurant. There are vegetarian dinner choices as well.

DAYS 4/5~MONDAY/TUESDAY~ NOVEMBER 16/17
SWEETWATERS TENTED CAMP

Your safari adventure begins when you drive today to the heart of a privately-owned 24,000-acre reserve, where your luxurious tented camp with magnificent views of Mt. Kenya awaits you. One of only four private wildlife reserves in Kenya, your under-canvas experience includes a day of wildlife drives in search of the 'Big Five.' Watch a parade of elephants, giraffes, zebras, and impalas come to drink at the camp's floodlit waterhole and saltlick. Optional activities abound, you may choose to go on a night drive in search of nocturnal species, on a camel safari, walking safari, and much more.

During your stay here, you will also visit the 200-acre chimpanzee sanctuary that has been set up here. Although chimps are not indigenous to Kenya, the aim of the project, initiated by Kenya Wildlife Services and the Jane Goodall Institute, was to set up a colony where chimps could be introduced, rehabilitated, and taught to fend for themselves in an area similar to their natural living conditions. Priority is given to orphaned and abused chimps. The sanctuary currently has over 40 chimps, including two babies born in the sanctuary. There is also a new visitor's information center at Morani's Boma.

Accommodation is provided in luxuriously appointed tents set under thatched roofs, with en suite facilities and private verandahs. All tents face the waterhole, and often the best time to be had is just sitting on your private porch watching the procession of animals that are attracted to the waterhole and observing their behavior.

DAY 6~WEDNESDAY~ NOVEMBER 18
SWEETWATERS/LAKE NAKURU NATIONAL PARK/LAKE ELMENTEITA
Travel overland for a fabulous day of nature viewing. You are now in the heart of the Great Rift Valley (which roughly bisects Kenya North to South, a huge geological fault-line that stretches around one-sixth of the Earth's circumference and is visible from far out in space. At 2,000 feet deep and 30 miles wide, it runs as far as the eye can see. Its walls are sheer and high and, along its length, there are many volcanoes mostly dormant. The landscape, with bubbling springs and geysers, is spectacular.

Arrive at Lake Nakuru National Park, a shallow alkaline body of water, once world-renowned for the huge concentration of flamingos. Today, there aren't many flamingoes left, but the park boasts a huge variety of animals including leopards – often found snoozing on the branches of magnificent yellow-barked acacias – lion, buffalo, hippo, waterbuck, warthog, baboon, and the endangered Rothschild's giraffe (Only found in this part of Kenya), white rhino and the rare, protected black rhino. For the bird-watching enthusiast, there are 450 species found in the park vicinity, with a big concentration of water birds including Marabou Stork and pelican.

Your home for the next two nights, Lake Elmenteita Serena Camp, offers luxurious accommodations nestled in the amazing Rift Valley scenery. Uniquely situated on the shoreline of sapphire-blue Lake Elmenteita where hundreds of thousands of birds congregate, the small and exclusive Lake Elmenteita Serena Camp is brand new – opened in June 2011. Evocatively styled to echo the area's rich history, the camp blends aristocratic elegance with modern luxury and offers cuisine and service of fittingly high standards.

The nomadic Maasai had passed through the area for centuries and the name Elmenteita derives from the Maasai Ol muteita for "place of dust". Then in 1897 one of the first pioneers arrived, after walking over 621 miles south of Berbera on the coast of Somalia. This was the third Baron Delamere, who dedicated his foresight and fortune to pioneering farming methods in the Rift Valley. He moved to Elmenteita in 1906, where he further experimented with sheep and cattle ranching, advised and assisted by the Maasai – with whom he had a great rapport. He named his farm Soysambu, Maasai for "striated rock" - Sambu is also a cow color.

Today's Soysambu is a 48,000-acre Wildlife Conservancy, also a RAMSAR site – a wetland of international importance. The alkaline lake's rocky islands are the only East African nesting site for Great White Pelicans, while its algae and plankton provide food for vast flocks of flamingos and a multitude of other waterfowl, many of them rare. The Conservancy protects over 450 bird species and 15,000 wild animals. Rothschild giraffes have found a safe haven for breeding here, while a diverse variety of terrain shelters many species – from herds of giant elands to tiny dik-diks and cliff-dwelling klipspringers. Night game-drives offer a unique opportunity to spot nocturnal creatures including the curious drives offer a unique opportunity to spot nocturnal creatures including the curious-looking aardvark and elusive leopard. Walking is also allowed, with chances to experience the miracles of the bush close-up. Bush dinners beneath the stars, spectacular sundowners and hot-air ballooning over this geologically fascinating part of the Great Rift Valley are a few more of the camp's exciting activities. Lake Nakuru National Park and Kariandusi prehistoric sites are nearby.

Over 350 bird species have been recorded, with Thomson's gazelle, waterbuck, monkeys, and other wildlife to keep them company.

Your afternoon is at leisure in your beautiful camp to enjoy the facilities, take a walk at the lake shore, or simply relax and rejuvenate.

DAYS 8/9/10~ FRIDAY/SATURDAY/SUNDAY ~ NOVEMBER 20/21/22
MAASAI MARA/NORTHERN SERENGETI
Your landrover now takes you to the Maasai Mara, Kenya's most famous wildlife reserve, much the setting for the film *Out of Africa*. It is classic savannah – grasslands, where animals are plentiful and the vistas spectacular. In this dreamlike land, animals live in freedom, and the Maasai care for their herds, all sharing the same land with minimal

conflict. You will have three days of wildlife-viewing opportunities in the Maasai Mara Reserve, also known as the "Jewel of Africa," a site with one of the largest and the most spectacular animal migrations in the world. The reserve is inhabited by many of Africa's most popular wild animals, including lion, cheetah, elephant, leopard, black rhino, and hippo. There are also over 500 resident species of birds in the park including ostrich, larks, and sunbirds as well as the lovely Lilac-breasted Roller.

The area is famous for rolling grassland and for the Mara River, which runs through the reserve from north to south. The reserve covers an area of 700 square miles and forms part of the Serengeti ecosystem, hosting the world-famous spectacle of the annual migration of up to two million wildebeest, thousands of zebra, and an escort of carnivores from the Serengeti plains that follow the rains and succulent new grass. A costly trek as many of the lame, laggard, and sick will fall prey to the ravaging pack of predators and many more will die in the swirling floodwaters of the Mara River as they try to cross it. The Mara also has one of the highest concentrations of cheetahs on the continent, as well as many magnificent black-maned lions.

Try a balloon safari for an exhilarating experience over the savannah as the early sun rises and the animals are more active, as your *optional activity* while you are in the Maasai Mara, and visit a Maasai village to learn about the customs of this nomadic tribe.

The Mara Serena Safari Lodge is an interpretation of a traditional Maasai Manyatta village of domed huts. Accommodation is offered in 73 guestrooms. The wide-spaced and secluded rooms have been individually styled in exuberant bush colors and feature large spacious en-suite bathrooms. It is set on the saddle of a hill where it overlooks the 695 square miles of rolling plains, woodlands, and rivers that make up the Maasai Mara Triangle – one of the world's richest wildlife sanctuaries. No other lodge has such a spectacular view of the surrounding landscape or the wildlife and birdlife that inhabit it. It is on this very terrain stretching endlessly before the lodge where the annual migration takes place, where millions of wildebeest, zebra, and gazelle traverse the landscape to feed on the rich new grass and give birth to their young.

DAYS 12/13~ TUESDAY/WEDNESDAY ~ NOVEMBER 24/25
TSAVO WEST NATIONAL PARK

Your drive takes you to Tsavo West National Park (*an optional flight from Nairobi to Tsavo West is available at a cost of $450 per person*.) At just over 8,000 square miles, Tsavo is the largest national park in Kenya and one of the largest in the world. Because of its size, the park was split into two, Tsavo West and Tsavo East, for easy administration. Located midway between Nairobi and the coast, the area boasts volcanic hills, four rivers, more than 60 major mammal species, and 1,000 plant species. The northern part of Tsavo West is the most developed and has spectacular scenery with a rolling volcanic landscape carpeted in long grass and dense bush. Although the tall vegetation makes game spotting trickier than in some of the other parks, Tsavo West's biodiversity is amazing. The landscape is a mixture of grassland and forest shrub vegetation. Thus, driving and exploring the vegetation almost assures you close encounters with the following animals: lions, leopards, cheetahs, zebras, giraffes, antelopes, kongoni, waterbuck, klipspringer, impala, gazelles, buffalos, and elephants. Apart from Tsavo's elephant

population, there are many lions – some undoubtedly the descendants of the infamous and feared "Man-eaters of Tsavo" popularized in the film *The Ghost and the Darkness*. In addition to lions, the resident carnivores in Tsavo include serval, hyenas, leopards, cheetahs, and caracals. The landscape is dominated by the giant baobab, a tree that is reputed to live 1,000 years.

Tsavo West is famous for the Mzima Springs. This star attraction is a pool of natural spring water with underwater viewing hides for observing hippos where a gushing supply of fresh, crystal clear water has created an oasis for wildlife. A specially constructed underwater observatory provides visitors with a unique view of the underwater world of Mzima. The water catchment is divided into two pools; here you can view hippos and crocodiles. The upper pool is occupied by the hippos and the lower pool by the crocodiles.

The first lodge ever to be built in a Kenyan National Park, Kilaguni Serena Safari Lodge is superbly situated in the lee of Mount Kilimanjaro, adjacent to a teeming waterhole and daily visited by vast herds of elephant, buffalo, and plains animals. Inspirationally positioned so that not only all the rooms but also the open-air restaurant, timbered viewing decks and rock-built bar enjoy uninterrupted views of the legendary snows of Kilimanjaro. The lodge also stands central to miles of lion-stalked grasslands, elephant-studded plains, and wildlife-teeming bush and is ideally placed for visits to all the park's prime attractions. Faced in volcanic stone and utilizing the natural rocky outcrops of a valley known as 'the place of the young rhino', from which it takes its name, the lodge has been designed to blend chameleon-like into the savannah landscape. Cool, tranquil and hushed for optimum wildlife viewing, the open-air dining area, timbered decks, and rock-hewn bar blend the traditional "khaki-and-canvas" look with bright-painted banners, sepia-hued paintings, and evocative olive-wood carvings of elephant herds and tail-erect warthogs. The elegantly renovated rooms draw on a sun-gold, sky-blue, and bush-green savannah color palette and have been so styled to provide world-class luxury and a quintessential African aura while featuring private verandahs with views of eternity.

DAYS 14/15~ THURSDAY/FRIDAY ~ NOVEMBER 26/27
AMBOSELI NATIONAL PARK/ MOUNT KILIMANJARO

Today's drive takes you to Amboseli National Park located at the foot of Africa's highest mountain, Mount Kilimanjaro. The snow-capped peak of Mount Kilimanjaro rises above a saucer of clouds and dominates every aspect of Amboseli. This park covers only 150 square miles but despite its small size and its fragile ecosystem, it supports a wide range of mammals (well over 50 of the larger species) and birds (over 400 species).

Years ago this was the locale around which such famous writers as Ernest Hemingway and Robert Ruark spun their stories of big-game hunting in the wilds of Africa. This too is part of Maasailand, and it's not unusual to see the proud Maasai warrior or small children tending their cattle as you traverse their territory. In this land, animals and man have learned to coexist and thrive together, despite the harsh conditions. This is also the park that has been made famous by Cynthia Moss, the noted American naturalist, and author who has one of the longest-running studies on elephants. You might even see some of the elephants that Cynthia has immortalized in her many books and award-winning film *Echo of the Elephants*.

In the shadow of Mount Kilimanjaro, beside a copse of giant acacia trees and a gently flowing natural spring, stands Amboseli Serena Safari Lodge. With Kilimanjaro's 19,340-foot snow-capped summit presiding over the landscape, the setting is unrivaled. All around the lodge roams the wildlife that has made East Africa legendary – lion, buffalo, cheetah, giraffe, baboon, gazelle, and wildebeest. Influenced by native Maasai architecture, the lodge is in perfect harmony with its environment. Beautifully landscaped gardens, unique guest services, and exceptional amenities enhance the distinctive ambiance. The uniquely constructed ivory class guest rooms – 96 in total – with en-suite bathrooms, individually appointed with authentic Africana and murals painted by a renowned local artist, convey a distinctive Maasai Manyatta mood. Grouped in the manner of a Maasai village, each room enjoys a view of either majestic Mount Kilimanjaro or the expansive Amboseli plains, which are home to herds of elephants that feed on the large, feathery acacia trees. Overlooking the saltlick and floodlit waterhole, the open-air dining room serves guests sumptuous international menus, buffets, and barbecues alongside authentic African dishes. A full-service bar and a refreshing outdoor pool are some of the other luxuries one is expected to find at this lodge.

USA

OPTIONAL EXCURSIONS IN THE MAASAI MARA & AMBOSELI

Experience an exhilarating balloon safari for the most incredible way of viewing wildlife. It begins in the early morning after you observe the inflating of the balloon, and you have an hour of uninterrupted views of wildlife from the air – the best way to see the incessant movement of animals and the fabulous vistas of Tanzania and Kenya. During the flight, you will ascend to a high altitude to take in an amazing panoramic view and then descend to treetop level and silently glide above the wildlife below. Upon landing, enjoy a "bubbly" brunch, set especially for you in the middle of the plains. Zebra and elephants may be your dining guests, and Africa's colorful birds may vie for a crumb of your bread. You then meet with your driver/guide and continue your safari. Many consider this one of the most memorable experiences of their safari.

Flying high up in the skies of the **Maasai Mara Game Reserve**, you view an endless magical array of savannahs, rivers, forests, and escarpments. If your visit is between July and October, the Mara plays host to the great migration, and there's nothing like this unparalleled phenomenon of migrating herds of zebra, wildebeest, and gazelle to view from the air. But, whether the migration is in the Mara or not, watching predators such as lions and cheetahs hunting their prey, and looking for all the marvels of the bush, is exciting and never gets old!

From the sunrise to the East, the magnificent Mt. Kilimanjaro to the south, and the **Amboseli National Park** immediately to the north, you will see a full array of wildlife, including the area's renowned elephant herds. From the air, see the Maasai manyattas and varied topography of Amboseli, and relish the feel of floating as the earth comes alive and the sky is painted with colorful strokes at sunrise.

Some, if not most, of this walking may be on uneven ground or uphill, often at higher elevations and altitudes that many people are not used to.

General

- True adventure in travel can sometimes be accompanied by unexpected changes in conditions, itineraries, and occasionally your accommodations.
- Participants should travel with a spirit of adventure and flexibility. Remember to pack your patience and sense of humor! Travelers who require additional luggage must pre-book and pay for this on confirmation of the reservation. We would like to remind you that laundry services and essential toiletries such as shampoo and body wash are available in all camps and lodges.

**Please keep in mind that the baggage compartments on most of the light aircraft are only 25cm (10 inches) high, so the pilots must have the ability to manipulate the bag into the compartment.

HANDLING OF INCORRECT LUGGAGE ON ARRIVAL
The carriage of excess baggage is at the sole discretion of the Company after taking into consideration the aircraft being used and the number of passengers booked. When excess baggage is carried it will be charged at the prevailing rate. Excess luggage is charged at USD $3.00 per kilogram (2.2 lbs.). Guests who are unable to depart on the scheduled charter will be given the option to book a private charter at additional costs to be paid directly prior to departure and subject to the availability of aircraft at the time of booking these flights. No refunds on the costs paid for scheduled charters that were missed due to their incorrect luggage and/or accommodation not provided due to this delay will be provided.

ASSISTANCE WITH BAGGAGE PRIOR TO ARRIVAL
Should guests be traveling with the incorrect luggage and require assistance with storage (which we offer at no additional cost) or transportation to their point of departure from East Africa (transportation costs apply), this can be arranged provided this has been bought to our attention prior to their arrival in East Africa, preferably at the time of final booking confirmation

BRING-A-BOOK FOUNDATION

Your safari will include a visit to a local school. We encourage you to bring colorful books and magazines, as well as school supplies such as pens, paper, crayons, soccer balls, etc., which you can present to the children during your visit. Many of these children have never owned a book in their life and the connection you'll make with them is invaluable. You'll find that children in the schools are eager to meet with visitors, practice their English, learn about your culture, and proudly share their own. You are often welcomed with a local song or dance.

After seeing schools firsthand and meeting the dedicated teachers working under the most difficult conditions, and children hungry for knowledge, many travelers have wanted to help the schools they visited or continue to support a child's learning opportunities after they return to their homes. Bring-A-Book is an innovative effort adopted by Classic Escapes to expand education opportunities for school children. The Bring-A-Book Foundation is a registered Kenyan Charitable Trust that was created as a way to facilitate travelers' wishes to help the schools and is used to get books into the hands of children as quickly and economically as possible. With compassionate ground operators such as Rangers Safaris, Wilderness Safaris, and &Beyond, Classic Escapes has expanded the reach of BAB to Tanzania, South Africa, and Zambia, and plans to expand to other countries as well. Information will be given to you with your final documents, but if you wish to help further, feel free to call Classic Escapes at 800-627-1244 for details.

CLASSIC ESCAPES CONSERVATION FUND

In keeping with our mission to provide exciting, educational, and fun-filled experiences that nurture and directly support the diverse wildlife and cultures we visit around the world, Classic Escapes has established the Classic Escapes Conservation Fund to ensure that a percentage of all profits go to support conservation and wildlife researchers performing their critical work in the field. Project support has included wild dog, elephant, rhino, and cheetah conservation in Botswana, Kenya, Tanzania, and Namibia, penguins in Punta San Juan Peru, tiger preservation in India, and sponsoring school children in Kenya, among many other projects around the world. By traveling with Classic Escapes, you are supporting travel as a tool for building the mutual respect, awareness, and understanding that are vital to preserving this planet for future generations.

CONDITIONS OF TRAVEL:

The purchase of your travel booking constitutes a contractual agreement between the traveler(s), customer(s), and/or purchaser(s) (collectively as "**You**" and "**Traveler**"), and Classic Escapes ("**Classic Escapes**", "**We**", "**Us**") pursuant to the following terms and conditions ("**Terms**", "**Agreement**"):

REGISTRATION & PAYMENTS

HOW TO BOOK: Fill out and sign the enclosed reservation form and send it, along with the relevant deposit as shown below, to: CLASSIC ESCAPES, 191 W Poplar Street, Floral Park, NY 11001 Upon receipt of your signed reservation form and deposit, we will, subject to availability, reserve your spot on the tour. You may consider your booking confirmed when you receive a confirmation notice and invoice from us.

DEPOSIT AND FINAL PAYMENT: You will be required to pay the following per-person deposits when booking. Those amounts are:

- $1,800 for the main trip
- $800 for the post-extension

All deposits are subject to the Cancellation policy herein. Final payment is required no less than 95 days prior to departure (August 10, 2026) unless otherwise stated. Some airfares or services must be paid in full at the time of booking. Payments may be made by check or with a credit card (American Express, Visa, MasterCard, or Discover.) Conditioned on receipt of final payment in full, all final documents and air tickets will be sent to you approximately two weeks prior to departure.

CREDIT CARD PROCESSING FEE: Payments made via credit card will incur a non-refundable processing fee of 5%. This fee applies to both deposits and final payments and will be added to the total trip cost. By choosing to pay via credit card, you agree to this additional charge. Alternative payment methods, such as bank transfers or checks, are available to avoid this fee.

CREDIT CARD TRANSACTIONS: If for any reason, any travel service provider is unable to provide the services for which you have contracted, your remedy lies against the provider, and not against Classic Escapes, and in the event that payment has been made to Classic Escapes by credit card, you agree that you will not seek to chargeback your payment to Classic Escapes. If the credit card is passed through to the travel service provider and you seek to chargeback your payment from the provider, you agree to be held liable and indemnify Classic Escapes against this chargeback from the provider, including without limitation any air debit memos charged to Classic Escapes. If the credit card is declined, you guarantee that you will settle any amounts owing to Classic Escapes via money order or cash immediately. Except in cases of fraud, you agree not to file any dispute with your bank or credit card company to avoid or violate any booking terms and conditions of Classic Escapes or its suppliers, including cancellations or changes of itinerary or arrangements for reasons beyond the control of Classic Escapes or its suppliers. If you attempt to chargeback, reverse, or recollect a previously authorized trip payment, Classic Escapes reserves the right to collect all additional costs, fees, and expenses associated with such chargeback, reversal, or recollection, including, without limitation, attorney fees.

IMPORTANT CONDITIONS: Prices are subject to increase prior to the time you make full payment. Prices are not subject to increase after you make full payment, except for charges resulting from increases in government-imposed taxes or fees. By signing the reservation form, you expressly acknowledge your acceptance of these conditions (i.e., increases before full payment and increases attributable to government-imposed taxes or fees after full payment will be your responsibility) applicable to your purchase.

RATES: Rates are based on the minimum number of guests outlined in this document, plus airfare costs, currency exchange rates and other factors and are subject to change. Though it is rare for Classic Escapes to make a price adjustment after promotion of an itinerary, we do reserve the right to assess a surcharge if the minimum is not met, or if increases are forced upon us by airlines or other partners or because of changes in currency exchange rates.

ADDITIONAL FEES: Additional taxes and surcharges that cannot be pre-collected may be charged locally. Cost of passport and visa fees and service charges for obtaining visa fees; excess baggage charges levied by airlines; laundry and other items of a personal nature; optional travel insurance policy(s); or any other costs incurred that cannot be pre-collected are NOT included and are the sole responsibility of the Traveler.

SINGLE SUPPLEMENT: The quoted rate is valid for the first two single rooms booked and on a first-come, first-served basis. If more than two single rooms are needed, an additional supplement may apply. Single accommodations are not guaranteed but will be provided at additional cost if available (see 'Your Journey at a Glance' section for the cost.) The single-room supplement pays for privacy, not better accommodations. For passengers who are traveling alone and wish to share a room with another tour member, we will do our best to

provide a roommate. However, if this is not possible, you will be required to pay the single room supplement prior to your departure from the USA.

GRATUITIES, ENTRANCE FEES & TAXES: Gratuities for baggage handling, service charges and taxes imposed by hotels, and entrance fees to all points of interest as outlined in the itinerary are included in the final cost. U.S. and foreign airport taxes are included in air costs. Tips to drivers and specialist guide(s) are **not** included and are the sole responsibility of the Traveler.

CANCELLATIONS, DEVIATIONS & CHANGES

TRAVEL INSURANCE: We recommend travel insurance. Travel insurance can provide financial reimbursement should the unexpected occur.

CANCELLATION: Please be aware that most travel bookings are non-refundable and canceled bookings will incur charges. These charges can be up to 100% of the cost of the booking, regardless of whether travel has commenced. Where we incur any liability for a cancellation fee or charge for any booking that you cancel, you agree to indemnify us for the amount of that fee or charge. Cancellations are only effective upon receipt of written notification. The following per-person fees are applicable; however, depending on the specific itinerary or other factors, we may require a non-refundable deposit:

- Up to 6 months prior to departure (May 17, 2026), $300 per person administrative fee.
- 179 days to 96 days prior to departure (May 18 to August 9, 2026), $300 per person administrative fee, plus $500 non-refundable deposits given to suppliers.
- 95 days to 76 days prior to departure (August 10 to August 29, 2026), deposit is forfeited.
- 75 days to 60 days prior to departure (August 30 to September 14, 2026), 50% refund is possible.
- 59 days or less prior to departure (September 15, 2026), no refund is possible.

These cancellation fees are also in addition to any fees imposed by airlines.

REFUNDS: While Classic Escapes uses its best endeavors to ensure that all anticipated accommodation is available as planned, there is no claim of any nature whatsoever against Classic Escapes for a refund, in whole or in part, if any accommodation or excursion is unavailable and a reasonable alternative is not found, or if the Traveler is unable to use any service provided in the itinerary.

CHANGES: Once your tour is reserved, changes to the itinerary are possible subject to the availability of air or land space at the time of your request. Should there be any change fees imposed by any airlines or ground operators, or additional costs incurred due to the availability of any space, these costs will be invoiced to you and you will be responsible for payment thereof.

SPECIAL ARRANGEMENTS: Should you wish to make additional travel plans, including specially arranged pre- or post-tour extensions different than those offered in conjunction with your tour, a service charge of $150 per person (over and above the cost of the services required) will be assessed.

DOCUMENTS

PASSPORTS: All individuals departing from the United States of America must be in possession of a valid passport. Please check that your passport is valid for at least 6 months beyond your intended return date. It is your responsibility to ensure that you have valid travel documentation, including but not limited to passports and visas, which meet the requirements of immigration and other government authorities at every destination. You are responsible for confirming with the United States Department of State or the representative government agency of the country to which you are traveling to confirm the requirements for visas and/or other requirements for admission to your destination. Any fines, penalties, payments, or expenditures incurred as a result of such documents not meeting the requirements of those authorities will be your sole responsibility.

REAL ID: Beginning May 7, 2025, if you plan to use your state-issued ID or license to fly within the U.S., it is your responsibility to make sure it is REAL ID compliant. If you are not sure if your ID complies, please check with your local state Department of Motor Vehicles or visit www.tsa.gov/real-id.

TRAVEL DOCUMENTS: It is the responsibility of each Traveler to obtain and carry a valid passport, visa(s), and all other documents required by applicable government regulations. When traveling domestically or internationally, the U.S. Transportation Security Administration (TSA) and U.S. Department of Homeland Security (DHS) advise that everyone carry acceptable identification in order to board a flight. Acceptable identification can be found at http://www.tsa.gov/traveler-information/acceptable-ids. The name, date of birth and gender that appears on the identification card must exactly match the same such data that is listed on airline ticket(s) and booking records. You acknowledge any failure to strictly comply with these requirements may result in denied boarding or an undue delay at an airport security checkpoint causing the Traveler to miss flight(s), and subsequent scheduled travel bookings on cruises and

tours. Travel documents include, without limitation, airline tickets, hotel vouchers, tour vouchers, or any other document (whether in electronic form or otherwise) used to confirm an arrangement with a service provider. Travel documents may be subject to certain conditions and/or restrictions such as, but not limited to, being non-refundable, non-date-changeable, and subject to cancellation and/or amendment fees. Travel documents cannot be transferred to another person to use. All airline tickets must be issued in the name of the passport/photo identity holder. An incorrect name on a booking may result in an inability to use that booking and the canceled. Any errors in names, dates, and timings may result in an inability to use that booking and the booking being cancelled. Any errors in names, dates, and timings on your documentation will be your responsibility if we are not advised at the time of booking. Please reconfirm your flights at least 24 hours prior to departure.

PRE-DEPARTURE INFORMATION: Upon receipt of your registration and deposit, we will send you an electronic pre-departure packet containing all the information you need to prepare for your tour, including the complete itinerary, packing checklist, required documents, insurance information, etc.

FINAL DOCUMENTS: Electronic final documents and air e-tickets will be sent to you approximately two weeks prior to departure, provided all monies have been paid in full.

TRANSPORTATION

AIR TRANSPORTATION: Your program does not include international airfare. If you require assistance, contact Classic Escapes.

FREQUENT FLYER MILEAGE: Check on the airline's website to enquire who their partners are. Obtain frequent flyer mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit.

TRANSFERS: Roundtrip airport transfers are included in the tour for guests arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

FLIGHT CONFIRMATION: We strongly suggest that you reconfirm exact flight times with the carrier prior to departure. Air travelers are required to check in at least 2 hours prior to departure time for domestic flights and 3 hours for international flights and must report to the gate at least 30 minutes prior to departure time. Failure to comply may result in the loss of the seat to another passenger.

HAZARDOUS MATERIALS: Federal law prohibits passengers from bringing hazardous materials on the aircraft. Federal law forbids the carriage of hazardous materials aboard aircraft in the passenger's luggage or on the passenger's person. A violation can result in five years' imprisonment and penalties of $250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives, and radioactive materials. Examples: Paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radiopharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in the passenger's luggage and certain smoking materials carried on the passenger's person. For further information, each passenger should contact the relevant airline representative(s) on their itinerary. Restrictions on hazardous materials are listed http://www.tsa.gov/traveler-information/prohibited-items.

INSECTICIDE NOTICE: Some countries require insecticide spraying of aircraft prior to a flight or while you are on the aircraft. We recommend that you refer to the Department of Transportation's list of airports in countries that require airlines to treat the passenger cabin with insecticides prior to the flight or while on the aircraft available at https://www.dot.gov/office-policy/aviation-policy/aircraft-disinsection-requirements.

BAGGAGE & FEES: Additional fees for baggage may apply. Please contact your airline or refer to its website for detailed information regarding its checked baggage policies. On average, international flights from the USA allow one piece of checked luggage, not exceeding 50 pounds, plus a carry-on piece not exceeding 15 pounds; however, we always recommend that you check your airline's policy just before departure, as luggage limitations are always subject to change. There may also be luggage and weight restrictions for your destination and that information will be forwarded to you with your pre-departure material and also listed on your final documents.

LUGGAGE ALLOWANCES ON INTERNAL FLIGHTS: Your journey includes optional internal flights aboard light aircraft which are designed with a maximum luggage allowance; this is closely monitored by the flight operators for safety reasons. You are allowed one carry-on and one piece of luggage, total weight: **33 lbs**. (15 kgs.) per person including the camera equipment. Further, soft-sided duffel bags are **preferred**, as they stow best in vehicles and airplanes with limited space.

PERSONAL WEIGHT ALLOWANCES ON INTERNAL FLIGHTS: Your journey includes internal flights aboard light aircraft which are designed with a maximum body weight and luggage allowance; this is closely monitored by the flight operators for safety reasons. If your personal weight exceeds **75 kilos (165 lbs.) for women and 85 kilos (187 lbs**.) **for men** it may be required to purchase an extra seat and your Classic Escapes Journey Manager will contact you should this be necessary.

AIRLINE CLAUSE: The airlines concerned are not to be held liable for any act, omission, or event during the time the passengers are not on board their planes or conveyance. The passengers' tickets in use by the airline or by other carriers concerned when issued shall constitute the sole contract between the airlines and the purchaser of these tickets and/or passengers.

DELAYS: We cannot be held liable for any delays or additional costs incurred as a result of airlines not running to schedule. Any additional land or air fees imposed on account of airline delays will be borne by the traveler.

By registering for a Classic Escapes service/program, you certify that you do not have any mental, physical, or other condition or disability that would create a hazard for yourself or others.

TRAVEL INSURANCE: For your protection, we strongly recommend that you purchase trip cancellation and travel accident insurance. However, no representation or description of the insurance made by Classic Escapes to you constitutes a binding assurance or promise about the insurance. Classic Escapes is not an insurance company and has no responsibility for the submission, payment, or adjustment of any insurance claims.
