DAY 3~ SUNDAY~ JULY 26

NAIROBI

Your day begins with a game drive in Nairobi National Park, unique in that the Park is the only protected area in the world with a variety of animals and birds close to a capital city. As expected, the park is a principal attraction for visitors to Nairobi. The park also serves many residents and citizens living in the city as it has a diversity of environments with characteristic fauna and flora. Open grass plains with scattered acacia bush are predominant. The western side has a highland dry forest and a permanent river with a riverine forest in the south. In addition, there are stretches of broken bush country and deep, rocky valleys and gorges with scrub and long grass. Man-made dams have also added a further habitat favorable to certain species of birds and other aquatic life forms. The dams also attract water dependent herbivores during the dry season.

The park has a rich/diverse birdlife with 400 species recorded; however, all species are not always present and some are seasonal. Northern migrants pass through the park primarily during late March through April. Nairobi National Park is one of the most successful of Kenya's rhino sanctuaries. It is already generating a stock for reintroduction in the species' former range and other upcoming sanctuaries. Due to this success, it is one of the few parks where a visitor can be certain of seeing a black rhino in its natural habitat.

Continue to The Sheldrick Wildlife Trust at the edge of Nairobi National Park, which is a nursery and rehab center for infant elephants that have lost their families, as well as rhinos and occasionally zebras and other wildlife. Daphne Sheldrick was the first person to successfully master the art of raising orphaned infant elephants. The wife of the famous naturalist David Sheldrick, Daphne had dedicated her life to conservation. David was the founding Warden of Kenya's giant Tsavo East National Park, in which he served from 1948 until his death in 1976. Daphne continued her involvement till her death in April 2018 and had a real impact on the lives of elephants and rhinos, which would have normally died due to human poaching and surrounding population conflict. Their daughter, Angela, now continues this most important work. You'll enjoy a visit with the elephants as they're brought by their keepers to the waterhole and salt lick to be fed and socialize – see how they roll in the mud and play fight and their affectionate interaction with their keepers. Learn the habits of the orphans and many interesting facts about their upkeep. These infants are eventually released into the wild at Tsavo East National Park and end up in the care of other orphans who have been successfully reintroduced to the wild.

Your next stop is at the Kobe Tough Bead Factory. All of the beads and pottery in the shop are designed and created by mothers who would not otherwise have employment. The quality and beauty of designs have made the factory a favorite of locals and visitors alike.

Enjoy lunch at Karen Blixen Coffee Garden and resume your sightseeing at the African Fund for Endangered Wildlife (AFEW Kenya) Giraffe Centre near Giraffe Manor where you may hand-feed the Rothschild giraffes that live here. The giraffes were brought here by Jock and Betty Leslie-Melville, who founded AFEW and built the Giraffe Centre to help educate young African children about wildlife conservation. The Rothschild giraffe is the tallest species and may reach 18 feet in height, but you can see eye to eye with them on the elevated walkway at the center.

Visit the Karen Blixen Museum, the former home of the Danish Baroness, Karen Blixen (1885-1962) author of the book *Out of Africa*. Karen lived in this green residential area from 1914 to 1931 when she left permanently for Denmark. The house was built in 1910 and when Ms. Blixen bought the property, it had 6,000 acres of land but only 600 acres were developed for growing coffee; the rest was retained under natural forest. The house was bought by the Danish Government, which offered it back to Kenya in 1963. In 1986, the house, formerly used as a school, was transformed into a National Museum. Much of the original furniture is on display in the house and most objects were

either used by Karen herself or for the shooting of the film, "Out of Africa."

Your welcome dinner has been prepared for you at the Carnivore Restaurant. Carnivore's specialty is meat and features an all-you-can-eat meat buffet. Every type of meat imaginable is roasted on traditional Maasai swords (skewers) over a huge, visually spectacular charcoal pit that dominates the entrance of the restaurant. There are vegetarian dinner choices as well. Overnight at THE RESIDENCES AT KAREN in cottage rooms. (B,L,D)

DAYS 4/5~ MONDAY/TUESDAY~ JULY 27/28

SAMBURU NATIONAL RESERVE

Start your journey through this magnificent country as you traverse its rugged roads, passing through lush farmland, towards Samburu National Reserve. Located on the hot, arid edges of Kenya's expansive northern region, the reserve is nestled in the heart of the vibrant Samburu community, who are close relatives of the Maasai. The landscapes are magnificent with extremely colorful birds and numerous wildlife species found only north of the equator and rarely elsewhere in Kenya. Species include the Grevy's zebra, reticulated giraffe and Beisa oryx while the graceful gerenuk, an antelope with a characteristic long neck, spends most time in a bipedal stance seeking relaxation in the sparse scrub. The dramatic, harsh landscape is subjected to the hot equatorial sun for most of the year and relief comes only from the cool waters of the Uaso Nyiro ("Brown") River. Rising to the West on the foothills of the Aberdares, the river vanishes beyond Samburu in the soggy expanse of the Lorian swamp.

En route enjoy lunch at the Trout Inn situated in a tree-filled valley overlooking a trout pond.

The luxurious Samburu Intrepids Club is set in the rugged and savagely beautiful semi-arid desert of northern Kenya. Located in the Samburu National Reserve on the banks of the Uaso Nyiro River, the Club offers unique wildlife viewing in its immediate surroundings. Twenty-eight modern and newly refurbished tents are elevated on individual decks under the shade of the acacia trees overlooking the river. The roomy tents boast the very latest in luxury, with soft four-poster beds, handsome mahogany closets and writing desks, and en suite bathrooms with steaming hot showers. The bathroom also offers twin washbasins, flush toilets, and sockets for shavers and battery charging. The lodge is subtly constructed to enhance its closeness with nature. Time not on safari can be spent by the swimming pool or on an escorted camel safari across the river, also the nature bird walks provide a fascinating past time.

(Available at additional costs.) Buffet luncheons and candlelit dinners are served on an elevated deck amidst the high shade trees. And the occasional visits from the elephants or other wildlife below the decks will make your stay most memorable.

Overnights at the SAMBURU INTREPID CLUB. (B,L,D Daily) <https://www.heritage-eastafrika.com/samburuintrepids/>
Approximate driving time from Nairobi to Samburu: 5 hours

DAY 6 ~WEDNESDAY~ JULY 29

OL PEJETA~SWEETWATERS TENTED CAMP

Another adventure begins when you drive today to the heart of a privately-owned 90,000-acre reserve, where your luxurious tented camp with magnificent views of Mt. Kenya awaits you. One of only four private wildlife reserves in Kenya, your under-canvas experience includes day wildlife drives in search of the 'Big Five'. Watch a parade of elephants, giraffes, zebras, and impalas come to drink at the camp's floodlit waterhole and saltlick.

During your stay here, you will also visit the 200-acre chimpanzee sanctuary that has been set up here. Although chimps are not indigenous to Kenya, the aim of the project, initiated by Kenya Wildlife Services and the Jane Goodall Institute, was to set up a colony where chimps could be introduced, rehabilitated, and taught to fend for themselves in an area similar to their natural living conditions. Priority is given to orphaned and abused chimps. The sanctuary currently has over 40 chimps, including two babies born in the sanctuary. There is also the visitor's information center at Morani's Boma.

Tonight, enjoy a night game drive, made possible because of Pejeta Conservancy's private status. A night game drive provides visitors with an opportunity to explore Ol Pejeta Conservancy after hours. Using a filtered spotlight, these drives can lead to some unique sightings of nocturnal animals, such as the armadillo, white-tailed mongoose, caracal, and possibly even the bat-eared fox. Lions, often found sleeping during the day, are frequently seen alert and active at night, and occasionally, the more elusive leopard can be spotted as well.

Accommodation is provided in luxuriously appointed tents set under thatched roofs, with en suite facilities and private verandahs. All tents face the waterhole, and often the best time to be had is just sitting on your private porch watching the procession of animals that are attracted to the waterhole and observing their behavior.

Overnight at SWEETWATERS TENTED CAMP in the Morani wing (B,L,D) <https://www.serenahotels.com/sweetwaters>

Approximate driving time from the Samburu to Sweetwaters Tented Camp: 3 hours.

DAY 7~THURSDAY~ JULY 30

LAKE NAKURU NATIONAL PARK

Travel overland for a fabulous day of nature viewing. You are now in the heart of the Great Rift Valley (which roughly bisects Kenya North to South, a huge geological fault-line that stretches around one-sixth of the Earth's circumference and is visible from far out in space. At 2,000 feet deep and 30 miles wide, it runs as far as the eye can see. Its walls are sheer and high and, along its length, there are many volcanoes mostly dormant. The landscape, with bubbling springs and geysers, is spectacular.

Arrive at Lake Nakuru National Park, a shallow alkaline body of water, once world-renowned for the huge concentration of flamingos. Today, there aren't many flamingos left, but the park boasts a huge variety of animals including leopards – often found snoozing on the branches of magnificent yellow-barked acacias – lion, buffalo, hippo, waterbuck, warthog, baboon, and the endangered Rothschild's giraffe (Only found in this part of Kenya), white rhino and the rare, protected black rhino. For the bird-watching enthusiast, there are 450 species found in the park vicinity, with a big concentration of water birds including Marabou Stork and pelican.

Your home for two nights, Lake Elmenteita Serena Camp, offers luxurious accommodations nestled in the amazing Rift Valley scenery. Uniquely situated on the shoreline of sapphire-blue Lake Elmenteita where hundreds of thousands of birds congregate, the small and exclusive Lake Elmenteita Serena Camp is brand new – opened in June 2011. Evocatively styled to echo the area's rich history, the camp blends aristocratic elegance with modern luxury and offers cuisine and service of fittingly high standards.

The nomadic Maasai had passed through the area for centuries and the name Elmenteita derives from the Maasai Ol muteita for “place of dust”. Then in 1897 one of the first pioneers arrived, after walking over 621 miles south of Berbera on the coast of Somalia. This was the third Baron Delamere, who dedicated his foresight and fortune to pioneering farming methods in the Rift Valley. He moved to Elmenteita in 1906, where he further experimented with sheep and cattle ranching, advised and assisted by the Maasai – with whom he had a great rapport. He named his farm Soysambu, Maasai for “striated rock” - Sambu is also a cow color.

Today’s Soysambu is a 48,000-acre Wildlife Conservancy, also a RAMSAR site – a wetland of international importance. The alkaline lake’s rocky islands are the only East African nesting site for Great White Pelicans, while its algae and plankton provide food for vast flocks of flamingos and a multitude of other waterfowl, many of them rare. The Conservancy protects over 450 bird species and 15,000 wild animals. Rothschild giraffes have found a safe haven for breeding here, while a diverse variety of terrain shelters many species – from herds of giant elands to tiny dik-diks and cliff-dwelling klipspringers.

Overnight at the ELMENTEITA SERENA. (B,L,D)

Approximate driving time from Sweetwaters Tented Camp to Lake Elmenteita: 3-4 hours.

DAY 8~FRIDAY~ JULY 31 HELLS GATE/LAKE NAIVASHA BOAT RIDE & CRESENT ISLAND

This morning, take a drive at Hell’s Gate, one of the spots that were the inspiration of *Lion King*, so named because of this gorge’s interesting geological formation. Famous for its natural hot geysers, the area is also a haven for ornithologists with its eagle and vulture breeding grounds. You may spot Verreaux’s Eagle, Augur Buzzard, and thousands of swifts; 103 species of birds have been recorded in the park. The game won’t let you down either: buffalo, Maasai giraffe, eland, hartebeest, lion, leopard, and some cheetah are in the area, although not easily viewed.

You will also be treated to a boat ride on Lake Naivasha, where hippos and waterbirds abound, en route to Crescent Island, which you can explore on foot. No predators are found on this island, so walking among the free-roaming antelope is sure to be a fun experience. This island, shaped like a quarter moon, is a sanctuary for herds of antelope and many species of birds. Over 350 bird species have been recorded, with Thomson’s gazelle, waterbuck, monkeys, and other wildlife to keep them company.

Your afternoon is at leisure in your beautiful camp to enjoy the facilities, take a walk at the lake shore, or simply relax and rejuvenate. Overnight at the ELMENTEITA SERENA. (B,L,D)

DAYS 9/10/11~SATURDAY/SUNDAY/MONDAY~ AUGUST 1/2/3
MAASAI MARA/ NORTHERN SERENGETI

Your drive now takes you to the Maasai Mara, Kenya's most famous wildlife reserve, much the setting for the film *Out of Africa*. It is classic savannah - grasslands, where animals are plentiful and the vistas spectacular. In this dreamlike land, animals live in freedom, and the Maasai care for their herds, all sharing the same land with minimal conflict. You will have three days of wildlife-viewing opportunities in the Maasai Mara Reserve, also known as the "Jewel of Africa," a site with one of the largest and the most spectacular animal migrations in the world. The reserve is inhabited by many of Africa's most popular wild animals, including lion, cheetah, elephant, leopard, black rhino, and hippo. There are also over 500 resident species of birds in the park including ostrich, larks, and sunbirds as well as the lovely Lilac-breasted Roller.

The area is famous for rolling grassland and for the Mara River, which runs through the reserve from north to south. The reserve covers an area of 700 square miles and forms part of the Serengeti ecosystem, hosting the world-famous spectacle of the annual migration of up to two million wildebeest, thousands of zebra, and an escort of carnivores from the Serengeti plains that follow the rains and succulent new grass. A costly trek as many of the lame, laggard, and sick will fall prey to the ravaging pack of predators and many more will die in the swirling flood waters of the Mara River as they try to cross it. This is the beginning of the migratory herds arriving in the Maasai Mara, and although we cannot guarantee any crossings, you should be able to see lines of wildebeest, but regardless, the Mara has its own resident herds and you're sure to see plenty of wildlife! The Mara also has one of the highest concentrations of cheetahs on the continent, as well as many magnificent black-maned lions.

Try a balloon safari for an exhilarating experience over the savannah as the early sun rises and the animals are more active, as your *optional activity* while you are in the Maasai Mara.

You will also visit a Maasai Village to experience the life of this semi-nomadic tribe.

Your farewell dinner will be traditional "bush dinner", an iconic safari experience, made even more special by the lively presence of Maasai dancers dressed in scarlet. The evening starts with cocktails around a campfire, illuminated by lanterns. Dinner is cooked on a blazing BBQ, complemented by a variety of salads and vegetables. As dessert and coffee are served, the Maasai entertain with songs, chants, and dance performances. It's a dining adventure in the wild that captures the essence of safari living.

The Mara Serena Safari Lodge is an interpretation of a traditional Maasai Manyatta village of domed huts. Accommodation is offered in 73 guestrooms, all of which have been styled to mirror the circular motif of a traditional Maasai Manyatta village of domed huts. The wide-spaced and secluded rooms have been individually styled in exuberant bush colors and feature large spacious en-suite bathrooms. It is set on the saddle of a hill where it overlooks the 695 square miles of rolling plains, woodlands, and rivers that make up the Maasai Mara Triangle – one of the world's richest wildlife sanctuaries. No other lodge has such a spectacular view of the surrounding landscape or the wildlife and birdlife that inhabit it. It is on this very terrain stretching endlessly before the lodge where the annual migration takes place, where millions of wildebeest, zebra, and gazelle traverse the landscape to feed on the rich new grass and give birth to their young.

Today you arrive in the U.S., bringing with you the memories of all the wonderful sights of Kenya. (Meals Aloft)

OPTIONAL EXCURSIONS IN THE MAASAI MARA

Experience an exhilarating balloon safari for the most incredible way of viewing wildlife. It begins in the early morning after you observe the inflating of the balloon, and you have an hour of uninterrupted views of wildlife from the air – the best way to see the incessant movement of animals and the fabulous vistas of Tanzania and Kenya. During the flight, you will ascend to a high altitude to take in an amazing panoramic view and then descend to treetop level and silently glide above the wildlife below. Upon landing, enjoy a “bubbly” brunch, set especially for you in the middle of the plains. Zebra and elephants may be your dining guests, and Africa’s colorful birds may vie for a crumb of your bread. You then meet with your driver/guide and continue your safari. Many consider this one of the most memorable experiences of their safari.

Flying high up in the skies of the **Maasai Mara Game Reserve**, you view an endless magical array of savannahs, rivers, forests, and escarpments. If your visit is between July and October, the Mara plays host to the great migration, and there’s nothing like this unparalleled phenomenon of migrating herds of zebra, wildebeest, and gazelle to view from the air. But, whether the migration is in the Mara or not, watching predators such as lions and cheetahs hunting their prey, and looking for all the marvels of the bush, is exciting and never gets old!

- Maasai Mara with collection from your lodge – Mara Serena Lodge: \$530 per adult (including children 12 and over) and \$415 per child ages 3-11 years who must be accompanied by an adult on the balloon.
- **These prices are as of January 10, 2025 and subject to change.**

THINGS YOU NEED TO KNOW ABOUT EAST AFRICA

Participants

- Participants must be able to climb in and out of mini-buses unassisted. They should also be able to tolerate riding on uneven, bumpy dirt roads for long periods of time (6-9 hours maximum), as well as some off-road experiences when opportunities allow.
- Participants should also be able to stand and/or walk moderate distances at an easy pace for up to a few hours at a time when visiting villages, towns, or other sites. Some, if not most, of this walking may be on uneven ground or uphill, often at higher elevations and altitudes that many people are not used to.

General

- True adventure in travel can sometimes be accompanied by unexpected changes in conditions, itineraries, and occasionally your accommodations.
- Participants should travel with a spirit of adventure and flexibility. Remember to pack your patience and sense of humor! Be willing to look past self-imposed ideals of Western amenities and do not compare these new experiences with your life back home. Travel often includes visiting destinations with modest infrastructures and a bending definition of comfort.
- That being said, some locations are nestled in absolute luxury where pampering is the norm. Participants should generally be in good health and prepared to travel to locations without medical facilities.

CHANGES: Once your tour is reserved, changes to the itinerary are possible subject to the availability of air or land space at the time of your request. Should there be any change fees imposed by any airlines or ground operators, or additional costs incurred due to the availability of any space, these costs will be invoiced to you and you will be responsible for payment thereof.

SPECIAL ARRANGEMENTS: Should you wish to make additional travel plans, including specially arranged pre- or post-tour extensions different than those offered in conjunction with your tour, a service charge of \$150 per person (over and above the cost of the services required) will be assessed.

DOCUMENTS

PASSPORTS: All individuals departing from the United States of America must be in possession of a valid passport. Please check that your passport is valid for at least 6 months beyond your intended return date. It is your responsibility to ensure that you have valid travel documentation, including but not limited to passports and visas, which meet the requirements of immigration and other government authorities at every destination. You are responsible for confirming with the United States Department of State or the representative government agency of the country to which you are traveling to confirm the requirements for visas and/or other requirements for admission to your destination. Any fines, penalties, payments, or expenditures incurred as a result of such documents not meeting the requirements of those authorities will be your sole responsibility.

REAL ID: Beginning May 7, 2025, if you plan to use your state-issued ID or license to fly within the U.S., it is your responsibility to make sure it is REAL ID compliant. If you are not sure if your ID complies, please check with your local state Department of Motor Vehicles or visit www.tsa.gov/real-id.

TRAVEL DOCUMENTS: It is the responsibility of each Traveler to obtain and carry a valid passport, visa(s), and all other documents required by applicable government regulations. When traveling domestically or internationally, the U.S. Transportation Security Administration (TSA) and U.S. Department of Homeland Security (DHS) advise that everyone carry acceptable identification in order to board a flight. Acceptable identification can be found at <http://www.tsa.gov/traveler-information/acceptable-ids>. The name, date of birth and gender that appears on the identification card must exactly match the same such data that is listed on airline ticket(s) and booking records. You acknowledge any failure to strictly comply with these requirements may result in denied boarding or an undue delay at an airport security checkpoint causing the Traveler to miss flight(s), and subsequent scheduled travel bookings on cruises and tours.

Travel documents include, without limitation, airline tickets, hotel vouchers, tour vouchers, or any other document (whether in electronic form or otherwise) used to confirm an arrangement with a service provider. Travel documents may be subject to certain conditions and/or restrictions such as, but not limited to, being non-refundable, non-date-changeable, and subject to cancellation and/or amendment fees. Travel documents cannot be transferred to another person to use. All airline tickets must be issued in the name of the passport/photo identity holder. An incorrect name on a booking may result in an inability to use that booking and the canceled. Any errors in names, dates, and timings may result in an inability to use that booking and the booking being cancelled. Any errors in names, dates, and timings on your documentation will be your responsibility if we are not advised at the time of booking. Please reconfirm your flights at least 24 hours prior to departure.

PRE-DEPARTURE INFORMATION: Upon receipt of your registration and deposit, we will send you an electronic pre-departure packet containing all the information you need to prepare for your tour, including the complete itinerary, packing checklist, required documents, insurance information, etc.

FINAL DOCUMENTS: Electronic final documents and air e-tickets if air is purchased through Classic Escapes will be sent to you approximately two weeks prior to departure, provided all monies have been paid in full.

TRANSPORTATION

AIR TRANSPORTATION: Your program does not include international airfare. If you require assistance, contact Classic Escapes.

FREQUENT FLYER MILEAGE: Check on the airline's website to enquire who their partners are. Obtain frequent flyer mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit.

TRANSFERS: Roundtrip airport transfers are included in the tour for guests arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

FLIGHT CONFIRMATION: We strongly suggest that you reconfirm exact flight times with the carrier prior to departure. Air travelers are required to check in at least 2 hours prior to departure time for domestic flights and 3 hours for international flights and must report to the gate at least 30 minutes prior to departure time. Failure to comply may result in the loss of the seat to another passenger.

HAZARDOUS MATERIALS: Federal law prohibits passengers from bringing hazardous materials on the aircraft. Federal law forbids the carriage of hazardous materials aboard aircraft in the passenger's luggage or on the passenger's person. A violation can result in five years' imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives, and radioactive materials. Examples: Paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radiopharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in the passenger's luggage and certain smoking materials carried on the passenger's person. For further information, each passenger should contact the relevant airline representative(s) on their itinerary. Restrictions on hazardous materials are listed <http://www.tsa.gov/traveler-information/prohibited-items>.

INSECTICIDE NOTICE: Some countries require insecticide spraying of aircraft prior to a flight or while you are on the aircraft. We recommend that you refer to the Department of Transportation's list of airports in countries that require airlines to treat the passenger cabin with insecticides prior to the flight or while on the aircraft available at <https://www.dot.gov/office-policy/aviation-policy/aircraft-disinsection-requirements>.

BAGGAGE & FEES: Additional fees for baggage may apply. Please contact your airline or refer to its website for detailed information regarding its checked baggage policies. On average, international flights from the USA allow one piece of checked luggage, not exceeding 50 pounds, plus a carry-on piece not exceeding 15 pounds; however, we always recommend that you check your airline's policy just before departure, as luggage limitations are always subject to change. There may also be luggage and weight restrictions for your destination and that information will be forwarded to you with your pre-departure material and also listed on your final documents.

LUGGAGE ALLOWANCES ON INTERNAL FLIGHTS: Your journey includes the option for an internal flight aboard light aircraft which are designed with a maximum luggage allowance; this is closely monitored by the flight operators for safety reasons. You are allowed one carry-on and one piece of luggage, total weight: **33 lbs.** (15 kgs.) per person including the camera equipment. Further, soft-sided duffel bags are **preferred, without wheels**, as they stow best in vehicles and airplanes with limited space.

PERSONAL WEIGHT ALLOWANCES ON INTERNAL FLIGHTS: Your journey includes internal flights aboard light aircraft which are designed with a maximum body weight and luggage allowance; this is closely monitored by the flight operators for safety reasons. If your personal weight exceeds **85 kilos (187 lbs.)** it may be required to purchase an extra seat and your Classic Escapes Journey Manager will contact you should this be necessary.

AIRLINE CLAUSE: The airlines concerned are not to be held liable for any act, omission, or event during the time the passengers are not on board their planes or conveyance. The passengers' tickets in use by the airline or by other carriers concerned when issued shall constitute the sole contract between the airlines and the purchaser of these tickets and/or passengers.

DELAYS: We cannot be held liable for any delays or additional costs incurred as a result of airlines not running to schedule. Any additional land or air fees imposed on account of airline delays will be borne by the traveler.

You may be denied entry onto your carrier and/or entry upon arrival at your destination or be required to self-quarantine at your destination and upon your return to the United States. You must comply with local government regulations. Any additional costs are your responsibility.
