YOUR ITINERARY

DAY 1 ~ SATURDAY ~ JANUARY 23

USA/CAYO DISTRICT, BELIZE

Your adventure kicks off with your flight to Belize. Upon arrival in Belize City and clearing customs, you'll step into your vehicle and set off toward the scenic Cayo District.

The Cayo District in western Belize is a rugged, untouched landscape of highland rainforests, cattle ranches, and pine forests that extends to Guatemala's El Petén region. While there are no beaches, the area is a paradise for outdoor adventurers, offering trails for hiking, horseback riding, and waterways perfect for kayaking, rafting, and canoeing. Mountain Pine Ridge Forest Reserve, Belize's oldest and largest protected park, is filled with caves, clear rivers for swimming, and dense woodlands that shelter a diverse array of tropical birds.

The district is also home to Chiquibul National Park, the largest continuous tropical forest north of the Amazon, where rare and elusive wildlife such as jaguars, Baird's tapirs, red-eyed tree frogs, and Morelet's crocodiles thrive. Surrounding Chiquibul lies Caracol, Belize's grandest archaeological site.

Although Belmopan, Belize's capital, sits in Cayo, the heart of the district is the town of San Ignacio, located 68 miles from Belize City. Known for its charming colonial streets, variety of dining and shopping, bustling weekly market, and nearby Maya sites like Cahal Pech, Xunantunich, and the Actun Tunichil Muknal caves, San Ignacio is an excellent base for exploring the district's rich heritage and wild beauty.

Nestled at the base of the historic Mayan ruins of Cahal Pech, this delightful hillside resort provides panoramic views over San Ignacio. Located about 7 miles from the Xunantunich archaeological site and 10 miles from the verdant Belize Botanic Gardens, it serves as a perfect starting point for exploring both cultural landmarks and natural beauty. The resort's rooms are warm and welcoming, featuring tile floors and decor inspired by traditional Belizean style, complemented by modern amenities such as complimentary Wi-Fi and flat-screen TVs. Each air-conditioned room or suite includes a private bathroom with a shower and toilet, a wardrobe, cable TV, and a balcony for taking in the scenery. Guests can enjoy local flavors at the resort's restaurant, while a variety of dining options, including international cuisine, are within a short 10-minute stroll. Leisure facilities include three outdoor swimming pools and a day spa, providing the perfect balance of relaxation and adventure. With its combination of comfort, culture, and scenic charm, this resort is an ideal choice for travelers seeking both exploration and tranquility in San Ignacio.

Overnight at the **CACAL PECH VILLAGE RESORT**, in standard rooms or cabanas. (D)

DAY 2~ SUNDAY~ JANUARY 24

CAYO DISTRICT~ CARACOL/RIO FRIO CAVE & RIO POOLS

Embark on a full-day adventure through two distinct ecosystems, beginning with Belize's largest known Maya site and ending with a revitalizing swim in naturally formed pools beneath waterfalls. The journey from San Ignacio in western Belize takes about 2 ½ to 3 hours, starting on paved roads before moving onto rugged trails through the Mountain Pine Ridge Reserve. This vast park is known for its impressive waterfalls, clear rivers, and natural pools. You'll witness a striking transition from pine forest to dense tropical rainforest as you enter the Chiquibul Forest Reserve, which surrounds the magnificent Caracol ruins.

Caracol spans 30 square miles of thick jungle, containing five plazas, an ancient observatory, and thousands of Maya structures. Climb the grand Caana pyramid to visit the three temples at its peak and take in sweeping views from 140 feet above the forest floor. Wildlife abounds in this protected reserve, so keep an eye out for rare birds and other animals as you explore.

On your way back, pause at the captivating Rio Frio Cave and unwind with a swim in the refreshing Rio On Pools. Though this 8-hour tour includes some bumpy roads, you'll be refreshed with lunch, snacks, cold drinks, and chilled washcloths along the way. In rainy seasons, military escorts may be present to assist vehicles through the more challenging sections of the route.

Estimated duration of activities: 8 hours

Overnight at the CACAL PECH VILLAGE RESORT. (B, picnic L,D).

DAY 3~ MONDAY~ JANUARY 25

CAYO DISTRICT/THE BELIZE ZOO & TROPICAL EDUCATION CENTER/PUNTA GORDA

After breakfast, head toward Punta Gorda. En route visit the renowned Belize Zoo & Education Center. Established in 1983, the zoo began as a refuge for wild animals featured in a documentary on tropical forests. Now spread across 29 acres of tropical savanna, it houses over 125 animals native to Belize. The center provides a safe haven for animals that are orphaned, rehabilitated, born at the zoo, or transferred from other wildlife facilities. This visit offers a unique opportunity to learn about Belize's native species and gain a deeper appreciation for the preservation of their natural habitats. The zoo keeps animals which were orphaned, born at the zoo, or rehabilitated after accidents, as well as animals sent as gifts from other zoological institutions.

Continue with your drive to Punta Gorda, often referred to as PG, is the southernmost town in Belize, with a diverse population of around 5,500 residents from various backgrounds and speaking multiple languages. This charming town serves as a gateway between Belize and Guatemala, and its peaceful, eco-friendly lodges nearby make it an ideal base for exploring both land and sea adventures.

Tanager Rainforest Lodge is near Punta Gorda in the Toledo District, just 10 minutes from Maya ruins and 30 minutes from the ocean. It's surrounded by rainforest and rivers on three sides. The lodge has six thatched cabanas by the river, featuring bay-leaf palm roofs, tiled floors, ceiling fans, and screened windows. Rooms offer spacious accommodations with double beds or a combination of double and single beds, plus a family room with bunk beds. There are also three hardwood cabanas near the dining area, equipped with air conditioning, two queen beds, a fridge, and a microwave. Additional amenities include a hairdryer, towels, and ceiling fans. Guests can enjoy a large swimming pool and have access to kayaks and rubber tubes for the river. The full-service restaurant and bar serve a mix of local and international dishes, with options for vegetarian, vegan, kosher, and children. Free Wi-Fi.

You'll have the opportunity to participate in a special cacao tasting featuring up to 20 different cacao varieties, and you'll even get to roast and grind the beans to make your own rich, Mayan-style cocoa.

After savoring a delicious traditional lunch on the farm, including fresh fruits gathered during your visit, you will embark on a hike followed by a refreshing swim in the crystal-clear waters of the Columbia River, where natural rapids and pools create beautiful and safe spots to relax in this tropical paradise.

PUNTA GORDA~ MONKEY RIVER TOUR/PLACENCIA

This morning, en route to Placencia, embark on a serene boat journey along the picturesque Monkey River, followed by a trek through the lush jungle. Your adventure begins with your guide meeting you at your hotel and driving you to the local marina. From there, a boat ride takes you to Monkey River Town, located about 11 miles south of Placencia. Board a small boat and silently glide through the vibrant jungle, teeming with diverse wildlife such as crocodiles, turtles, iguanas,

and herons. Transitioning from the river to the jungle floor, a moderate 40-minute hike offers opportunities to spot howler monkeys, toucans, and other exotic creatures. Your knowledgeable guide shares insights about the rainforest's herbal and medicinal plants along the trail.

Following lunch, take some time to explore Monkey River Town, a quaint fishing village where many families live without electricity. On the journey to Placencia, keep an eye out for the elegant West Indian manatees as your captain carefully navigates the boat through the serene mangroves and lagoon.

Nestled between a shimmering lagoon lined with mangroves to the west and the turquoise waters of the Caribbean Sea to the east, the Placencia Peninsula invites you to a world of adventure and relaxation. Dive or snorkel along the stunning Barrier Reef, paddle through mangrove forests and secluded islands by kayak, enjoy birdwatching and wildlife sightings along Monkey River or in the Cockscomb Basin Wildlife Sanctuary, or try your hand at sport fishing for tarpon, permit, yellowfin tuna, or king mackerel. Or simply unwind on Belize's finest mainland beaches, drink in hand, as you listen to the soothing sounds of the waves.

Estimated duration of activities: 6 hours

Azure Del Mar, a secluded getaway on Belize's Caribbean Coast, provides a peaceful retreat within lush tropical gardens. The resort's 10 unique rooms include rustic thatch-roof cabanas, each with locally crafted hardwood floors, custom-made furniture, full bathrooms, ceiling fans, and tasteful décor that opens to sea or garden views. Enjoy relaxation on the expansive, sandy beach, unwind by the pool, or stroll out to the 200-foot pier, where you can soak up vibrant sunrises and refreshing ocean breezes. The resort's open-air, thatched-roof restaurant serves a delectable array of dishes, including fresh seafood and Asian-inspired plates, while the bar, stocked with daily drink specials and ice-cold Belikin beer, offers a perfect spot for unwinding. Free Wi-Fi. Overnight at the AZURE DEL MAR in a cabana. (B,L,D) <https://www.azuredelmar.com/>

DAY 6~ THURSDAY~ JANUARY 28

PLACENCIA~ BIRDWATCHING SCARLET MACAW TOUR

Today, you set out for the village of Red Bank in South Stann Creek District, a premier destination for observing the brilliant Scarlet Macaw, one of nature's most captivating birds. Each year, these vibrant macaws migrate from the Chiquibul Rainforest in the Cayo District to enjoy the sweet, ripe fruits of the 'annato' and 'pole wood' trees that thrive in the Red Bank area. With a knowledgeable local guide, you'll follow a steep jungle path, where you can witness these magnificent birds soaring above or resting in the treetops, lured by the seasonal fruit. Besides the Scarlet Macaws, Red Bank offers year-round birdwatching, with species like hummingbirds, herons, toucans, oropendolas, and parrots frequently spotted.

Pick Up Time: 05:00 AM.

Estimated duration of activities: 6 hours

After lunch, head to the Cockscomb Basin Wildlife Sanctuary, located in a vast protected area. This sanctuary, the world's first jaguar preserve, offers a rare chance to spot the elusive jaguar's tracks along the trail. Situated near Placencia, the sanctuary spans approximately 150 square miles of tropical forest and is the only jaguar preserve in the world. Established as a Forest Preserve in 1984 and officially designated as a Jaguar Preserve in 1986, the park is the result of years of dedication from individuals, as well as national and international organizations. Rich in natural beauty and wildlife, the park also holds historical significance, with the well-hidden Maya ceremonial site of Chucil Baluum, dating back to the Classic Period, tucked within its depths.

The jaguar (*Panthera onca*) is the third largest member of the cat family and endangered in most of its range. Here at Cockscomb, the jaguar is doing quite well - and it by no means the only beneficiary of the safety of the preserve. Other cats such as the puma, ocelot, jaguarundi and margay, as well as peccary, paca, brocket deer, tayra, otter and coatimundi, enjoy a population density difficult to achieve in most locations. Cockscomb is also renowned for its bird populations and boasts some 300 recorded species, including Clay-colored Robin, Social Flycatcher, Collared-seed Eater, Crimson-collared and Masked Tanager, Bat Falcon, Great Curassow and Keel-billed Toucan. Impressive numbers and variety are also found in the herpetofauna and in the flora of the basin.

Although you are likely to see signs of recent jaguar activity during your visit, it is highly unlikely that an actual jaguar sighting will occur; these wonderful animals are masters of stealth, and their very existence is based on seeing without being seen.

The most important feature about Cockscomb though, is its trail network, the most extensive of any reserve in the country. Explore the sanctuary's natural wonders, from breathtaking waterfalls and mountain vistas to the colorful array of neotropical birds that call this area home. Wander along the trails to discover picturesque waterfalls, keeping an eye out for toucans, hummingbirds, egrets, and iguanas. For a unique adventure, float down the river on an inner tube, immersing yourself in the tranquil beauty of the surroundings.

Important: Must be fit enough to do a 1.5-hour hike over hilly terrain. Please check with your guide about the river tubing, which is subject to water level.

Overnight at the AZURE DEL MAR. (B,L,D)

DAY 7~ FRIDAY~ JANUARY 29

PLACENCIA~ CAYES SNORKELING

Grab your gear and make your way down to the dock, where you'll board a motorboat bound for the spectacular Belize coral reef for an unforgettable snorkeling adventure.

A 45-60-minute cruise brings you to the nearest site, Laughing Bird Caye, with Silk Caye a bit farther offshore. Snorkeling spots are chosen based on weather conditions and your preferences. Once at the caye, gear up with your mask, fins, and snorkel, and head straight out from the beach. Discover a vibrant underwater world as colorful fish weave through stunning coral formations in the warm, crystal-clear waters. Look closely, and you might spot spiny lobsters roaming along the seafloor. Take a break back onshore to enjoy a delicious traditional Belizean lunch before heading back out for an afternoon snorkeling session at a second caye (weather permitting). After a remarkable day on the reef, return to the boat for the relaxing cruise back to the mainland.

Estimated duration of activities: 7 hours

PLACENCIA/YAXHÁ/TOPOXTÉ/TIKAL NATIONAL PARK

Your adventure continues as you cross the border into Guatemala. Embark on your journey to Yaxhá, one of Guatemala's largest Mayan complexes, boasting over 500 structures, including nine temples and a rare twin pyramid complex.

Experience the thrill of ascending Temple 216, towering at an impressive height of 121 feet, offering unparalleled panoramic views of the lush rainforest canopy, nearby pyramids, and shimmering lakes below.

Explore the lesser-known corners of the site before embarking on a scenic boat ride to the secluded island ruins of Topoxte. As the sun dips below the horizon, casting a golden glow over the ancient ruins, immerse yourself in the mystical ambiance of a bygone era. Indulge in drinks and savor the breathtaking sunset before continuing your adventure at Tikal Park. This exclusive experience combines the grandeur of Yaxhá's temples with the enchantment of a sunset boat tour to unique island ruins, promising an unforgettable exploration of Guatemala's rich Mayan heritage.

Perched high above the dense jungle canopy, the ancient temples of Tikal command attention. This sprawling complex, boasting over 3,000 structures, holds UNESCO World Heritage status and stands as the largest excavated site in North America. Dating back to around 400 BC, Tikal experienced its heyday between 200 and 900 AD. While adorned with intricate hieroglyphs and carvings, Tikal is renowned for its colossal temples. Among them, Temple IV stands tall at 154 feet, offering panoramic views across the jungle—a thrilling experience for adventurous climbers. The central plazas of Tikal are adorned with magnificent ruins, creating an architectural marvel that continues to captivate visitors.

Jungle Lodge is nestled within the lush embrace of the tropical rainforest. The lodge features 49 spacious rooms and suites, each blending tropical charm with modern comforts. Enjoy private baths and outdoor showers. Start your day with a hearty breakfast at the lodge's restaurant before embarking on adventures in the park, just a short walk away. Keep an eye out for howler monkeys amidst the forest canopy as you make your way to the park entrance. Upon your return, unwind by the poolside with a refreshing mojito or Gallo beer, savoring lunch, snacks, and dinner crafted from locally sourced ingredients. Due to its remote location, the hotel operates with limited electricity supply. However, all rooms are equipped with ceiling fans and one wall socket with continuous electricity. Additionally, the lobby area offers complimentary Wi-Fi and electricity around the clock.

In accordance with restrictions and norms of Tikal National Park, the lodge can only run the power generators on certain schedules, providing the rooms with limited power after 10 p.m. Full electricity is available during specific hours: 5:30 AM to 8:00 AM, 1:00 PM to 3:00 PM, and 5:00 PM to 10:00 PM.

DAY 9~ SUNDAY~ JANUARY 31

TIKAL NATIONAL PARK

Tikal is among the world's travel wonders, believed by many to be one of the most spiritually powerful spots on earth. The site's towering pyramids loom out of the thick jungle canopy like stoic sentinels of ancient mysteries.

Once a wealthy metropolis of 100,000 inhabitants and the seat of power for the great Jaguar clan lords, today Tikal attracts archeologists from all around the globe. The ruins of Tikal include more than 3,000 structures extending over six square miles: palaces, temples, ceremonial platforms, ball courts, terraces, plazas, avenues and steam baths. The ancient Mayans began building Tikal around 600 B.C.E., and for the next 1500 years the area was an important religious, scientific, and political center.

Though the Maya empire has fallen, there is no shortage of life at Tikal today. Screeching howler monkeys and squawking parrots make up the soundtrack. White-lipped peccary, brocket deer, coatimundis, toucans, ocelots; even the occasional jaguar can be spotted. Fascinating tropical flowers are abundant, to say nothing of the trees that cloak the area. Because of its importance and magnificent combination of nature and archaeological remains, Tikal has been declared a Heritage of Humanity site by UNESCO.

You will have the chance to visit several remarkable structures. The Great Plaza (Temples I & II and the ball court) and its surroundings were the focus of sociopolitical life at Tikal during the Late Classic Period and remain the heart of Tikal today. Built around the year 700 A.D., Temples I and II are majestic representatives of the type of monumental grandeur accomplished by the rulers of Tikal during this era. Temple I (Temple of the great Jaguar), a stylized building facing west toward the setting sun, stands at 144.36 feet tall, while Temple II (Temple of the Masks), standing 122 feet tall, was erected facing east toward the rising sun. The Maya of Tikal considered Temple I the portal to the Underworld. The temple complex may represent the Full Cycle of Life itself.

After the tour, enjoy a delicious lunch at a local restaurant. Take time to explore the museum at the visitor center, offering deeper insights into the rich history and culture of Tikal, before concluding your morning tour and returning to your hotel.

A sundown experience at Tikal is a mesmerizing blend of history and nature. As the day fades, the ancient ruins are bathed in golden light, casting long shadows across the jungle. The sounds of the rainforest shift, with the chatter of birds giving way to the distant calls of nocturnal creatures. Climbing a temple to watch the sun dip below the horizon offers a moment of serenity and awe, as the vibrant hues of sunset paint the sky above this timeless Mayan city. It's a peaceful yet powerful end to the day.

Estimated duration of activities: 6 hours
Overnight at the JUNGLE LODGE. (B,L,D)

DAY 10~ MONDAY~ FEBRUARY 1 **TIKAL NATIONAL PARK/ FLORES**

Experiencing Tikal at sunrise is a magical journey through history and nature. As dawn breaks, the mist lifts to reveal ancient Mayan temples shrouded in jungle. The calls of howler monkeys and the songs of exotic birds create a symphony of the wild, blending with the serene atmosphere of this UNESCO World Heritage site. From the top of Temple IV, the horizon glows in shades of gold and orange, a breathtaking backdrop to the iconic ruins. It's a moment of profound connection to the ancient world and the untamed beauty of Guatemala's rainforest.

After an unforgettable morning exploring the ancient wonders of Tikal, a visit to Flores, Guatemala, offers the perfect way to unwind and immerse yourself in local charm. This picturesque island town, perched on Lake Petén Itzá, enchants with its cobblestone streets, brightly colored buildings, and welcoming atmosphere. Stroll along the waterfront, savoring the gentle breeze and stunning lake views, or explore the town's vibrant markets and cozy cafés. Whether you're indulging in traditional Guatemalan cuisine, shopping for handmade crafts, or simply soaking in the laid-back vibe, Flores provides a delightful contrast to Tikal's ancient majesty.

Spend a leisurely afternoon in Flores, strolling cobblestone streets, relaxing by Lake Petén Itzá, or savoring local flavors. Explore boutique shops, take a boat ride, or simply soak in the island's charm.

Where we incur any liability for a cancellation fee or charge for any booking that you cancel, you agree to indemnify us for the amount of that fee or charge. Cancellations are only effective upon receipt of written notification. The following per-person fees are applicable:

- Up to 6 months prior to 96 days prior to departure (July 27 to October 19, 2026), \$300 per person administrative fee, plus \$500 non-refundable deposits given to suppliers.
- 95 days to 60 days prior to departure (October 20 to November 24, 2026), 25% refund is possible.
- 59 days or less prior to departure (November 25, 2026), no refund is possible.

These cancellation fees are also in addition to any fees imposed by airlines.

REFUNDS: While Classic Escapes uses its best endeavors to ensure that all anticipated accommodation is available as planned, there is no claim of any nature whatsoever against Classic Escapes for a refund, in whole or in part, if any accommodation or excursion is unavailable and a reasonable alternative is not found, or if the Traveler is unable to use any service provided in the itinerary.

CHANGES: Once your tour is reserved, changes to the itinerary are possible subject to the availability of air or land space at the time of your request. Should there be any change fees imposed by any airlines or ground operators, or additional costs incurred due to the availability of any space, these costs will be invoiced to you and you will be responsible for payment thereof.

SPECIAL ARRANGEMENTS: Should you wish to make additional travel plans, including specially arranged pre- or post-tour extensions different than those offered in conjunction with your tour, a service charge of \$150 per person (over and above the cost of the services required) will be assessed.

DOCUMENTS

PASSPORTS: All individuals departing from the United States of America must be in possession of a valid passport. Please check that your passport is valid for at least 6 months beyond your intended return date. It is your responsibility to ensure that you have valid travel documentation, including but not limited to passports and visas, which meet the requirements of immigration and other government authorities at every destination. You are responsible for confirming with the United States Department of State or the representative government agency of the country to which you are traveling to confirm the requirements for visas and/or other requirements for admission to your destination. Any fines, penalties, payments, or expenditures incurred as a result of such documents not meeting the requirements of those authorities will be your sole responsibility.

REAL ID: Beginning May 7, 2025, if you plan to use your state-issued ID or license to fly within the U.S., it is your responsibility to make sure it is REAL ID compliant. If you are not sure if your ID complies, please check with your local state Department of Motor Vehicles or visit www.tsa.gov/real-id.

TRAVEL DOCUMENTS: It is the responsibility of each Traveler to obtain and carry a valid passport, visa(s), and all other documents required by applicable government regulations. When traveling domestically or internationally, the U.S. Transportation Security Administration (TSA) and U.S. Department of Homeland Security (DHS) advise that everyone carry acceptable identification in order to board a flight. Acceptable identification can be found at <http://www.tsa.gov/traveler-information/acceptable-ids>. The name, date of birth and gender that appears on the identification card must exactly match the same such data that is listed on airline ticket(s) and booking records. You acknowledge any failure to strictly comply with these requirements may result in denied boarding or an undue delay at an airport security checkpoint causing Traveler to miss flight(s), and subsequent scheduled travel bookings on cruises and tours.

Travel documents include, without limitation, airline tickets, hotel vouchers, tour vouchers, or any other document (whether in electronic form or otherwise) used to confirm an arrangement with a service provider. Travel documents may be subject to certain conditions and/or restrictions such as, but not limited to, being non-refundable, non-date-changeable, and subject to cancellation and/or amendment fees. Travel documents cannot be transferred to another person to use. All airline tickets must be issued in the name of the passport/photo identity holder. An incorrect name on a booking may result in an inability to use that booking and the booking being cancelled. Any errors in names, dates, and timings may result in an inability to use that booking and the booking being

cancelled. Any errors in names, dates, and timings on your documentation will be your responsibility if we are not advised at the time of booking. Please reconfirm your flights at least 24 hours prior to departure.

PRE-DEPARTURE INFORMATION: Upon receipt of your registration and deposit, we will send you an electronic pre-departure packet containing all the information you need to prepare for your tour, including the complete itinerary, packing checklist, required documents, insurance information, etc.

FINAL DOCUMENTS: Electronic final documents and air e-tickets will be sent to you approximately two weeks prior to departure, provided all monies have been paid in full.

TRANSPORTATION

AIR TRANSPORTATION: Your program does not include international airfare. If you require assistance, contact Classic Escapes.

FREQUENT FLYER MILEAGE: Check on the airline's website to enquire who their partners are. Obtain frequent flyer mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit.

TRANSFERS: Roundtrip airport transfers are included in the tour for guests arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

FLIGHT CONFIRMATION: We strongly suggest that you reconfirm exact flight times with the carrier prior to departure. Air travelers are required to check in at least 2 hours prior to departure time for domestic flights and 3 hours for international flights and must report to the gate at least 30 minutes prior to departure time. Failure to comply may result in the loss of the seat to another passenger.

HAZARDOUS MATERIALS: Federal law prohibits passengers from bringing hazardous materials on the aircraft. Federal law forbids the carriage of hazardous materials aboard aircraft in the passenger's luggage or on the passenger's person. A violation can result in five years' imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives, and radioactive materials. Examples: Paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radiopharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in the passenger's luggage and certain smoking materials carried on the passenger's person. For further information, each passenger should contact the relevant airline representative(s) on their itinerary. Restrictions on hazardous materials are listed <http://www.tsa.gov/traveler-information/prohibited-items>.

INSECTICIDE NOTICE: Some countries require insecticide spraying of aircraft prior to a flight or while you are on the aircraft. We recommend that you refer to the Department of Transportation's list of airports in countries that require airlines to treat the passenger cabin with insecticides prior to the flight or while on the aircraft available at <https://www.dot.gov/office-policy/aviation-policy/aircraft-disinsection-requirements>.

BAGGAGE & FEES: Additional fees for baggage may apply. Please contact your airline or refer to its website for detailed information regarding its checked baggage policies. On average, international flights from the USA allow one piece of checked luggage, not exceeding 50 pounds, plus a carry-on piece not exceeding 15 pounds; however, we always recommend that you check your airline's policy just before departure, as luggage limitations are always subject to change. There may also be luggage and weight restrictions for your destination and that information will be forwarded to you with your pre-departure material and also listed on your final documents.

LUGGAGE ALLOWANCES ON INTERNAL FLIGHTS: Your journey includes an internal flight aboard TAG Airlines on the extension. You are allowed one carry-on, 10 lbs. max, (must fit on your lap) plus one checked bag, max 50 lbs. Overweight bags incur an additional \$3 fee, for every extra pound.

AIRLINE CLAUSE: The airlines concerned are not to be held liable for any act, omission, or event during the time the passengers are not on board their planes or conveyance. The passengers' tickets in use by the airline or by other carriers concerned when issued shall constitute the sole contract between the airlines and the purchaser of these tickets and/or passengers.

DELAYS: We cannot be held liable for any delays or additional costs incurred as a result of airlines not running to schedule. Any additional land or air fees imposed on account of airline delays will be borne by the traveler.
