YOUR ZOO HOSTS~ MANDY HANSEN & TANA BENFORD

Mandy Hansen is a graduate of The Ohio State University, where she earned a bachelor's degree in Agricultural Science with a specialization in ornamental horticulture. It was there that she first fell in love with the beauty of English gardens while studying the history of English landscape design during a study-abroad program. After joining the Toledo Zoo's horticulture staff in 2012, Mandy worked in the Zoo's formal gardens, greenhouses, and interiorscapes. In 2018, she returned to England to earn a master's degree in ethnobotany from the University of Kent in Canterbury. Her graduate research provided opportunities to work closely with the Royal Horticultural Society and visit many of the United Kingdom's most celebrated gardens. Since returning to the Toledo Zoo in 2021, Mandy has helped expand the Zoo's horticulture programming and now serves as Horticulture Events Coordinator. She loves sharing her enthusiasm for plants, gardens, and the stories behind them, and looks forward to exploring England's remarkable landscapes and gardens with fellow travelers.

Tana Benford has devoted more than 38 years to the Toledo Zoo, where she has built an exceptional career in membership, fundraising, and community engagement. A graduate of the University of Toledo with a bachelor's degree in communications, she began with a part-time fundraising position and, over the years, rose to become Vice President of Development and Membership. As the department's first full-time employee, Tana has helped grow both the Zoo's membership and philanthropic programs while building a dedicated team committed to supporting its mission. She especially enjoys connecting with members and donors through special events, behind-the-scenes experiences, and meaningful conversations. A warm and enthusiastic traveler herself, Tana is excited to share this journey, create lasting memories together, and help make the experience enjoyable for everyone.

YOUR ITINERARY

DAY 1~ FRIDAY~ MAY 14
USA /EN ROUTE
Your adventure begins as you board your overnight flight to London. (Meals Aloft)

DAY 2~ SATURDAY~ MAY 15
LONDON ~ RHS GARDEN WISELY
This morning finds you arriving in London, ready to begin your garden and flower tour! Upon arrival, you'll be met and begin your tour immediately. Since the hotel room will not be available till 3:00 pm, this is the best way to spend your morning and acclimate to the new time zone.

First visit will be to RHS Garden Wisley which offers a wonderful opportunity to explore one of Britain's most influential horticultural destinations and discover a different style of garden experience from Royal Botanic Gardens, Kew. Managed by the Royal Horticultural Society, which is also responsible for the famous Chelsea Flower Show, RHS Wisley combines beautifully designed landscapes with plant research, education, and practical gardening inspiration.

Set across extensive grounds in Surrey, RHS Wisley features a mix of traditional planting areas, contemporary gardens, glasshouses, and experimental spaces. The gardens are designed not only for enjoyment but also as a place for learning, with collections and displays that showcase innovative planting techniques, sustainable gardening practices, and a wide range of plant varieties from around the world.

Highlights of the visit include RHS Hilltop, the modern home of the RHS science, research, and education facilities. This area provides insight into the organization's work in plant conservation, horticultural research, and the preservation of botanical knowledge through its collections and archives.

You may also explore the World Food Garden, which highlights the plants that play an important role in global diets and demonstrates how food crops are grown and used around the world. It provides an enjoyable stop for a light brunch or refreshment while continuing the garden experience.

The Rock Garden is one of Wisley's most impressive features, showcasing alpine plants and carefully designed landscapes using stone, water, and specialized planting techniques. Originally developed over many decades, it remains a highlight for visitors interested in garden design and unusual plant collections.

Another highlight is the Bonsai Walk, which displays a collection of carefully cultivated trees, many of which are hardy species that can thrive outdoors in the UK climate. Unlike some collections that focus mainly on indoor displays, many of Wisley's bonsai remain outside, allowing visitors to appreciate these miniature landscapes throughout the seasons. Some trees in the collection have been cultivated for many decades, reflecting the patience and craftsmanship behind this traditional art form.

The visit may also include the Trials Garden, where the RHS evaluates new ornamental plant varieties for qualities such as appearance, performance, and garden suitability. Rows of carefully maintained trial beds allow visitors to see new plant introductions being tested before they become widely available to gardeners. With its combination of innovative garden design, scientific research, and inspiring plant collections, RHS Wisley provides a fascinating look at the future of horticulture while celebrating the traditions of British gardening.

After your visit, transfer to your hotel and have some leisure time, before tonight's welcome dinner at Fallow Restaurant in the heart of London. This evening is an opportunity to connect with fellow travelers, enjoy exceptional cuisine, and begin your time together in a relaxed and welcoming atmosphere.

The Rembrandt Hotel is ideally located in London's prestigious South Kensington area, directly opposite the Victoria and Albert Museum and within walking distance of Harrods, the Natural History Museum, the Science Museum, Hyde Park, Chelsea, and a wide selection of restaurants and boutiques. This elegant hotel occupies a historic Edwardian building that was originally developed as apartments connected with Harrods, retaining a sense of classic London character while offering modern comforts.

The hotel's well-appointed guestrooms and suites combine traditional style with contemporary amenities. DAY 3~SUNDAY ~ MAY 16
COLUMBIA ROAD FLOWER MARKET /ST. JAMES PARK/ TOWER OF LONDON/ BUCKINGHAM PALACE (OUTSIDE VIEW)/SKY GARDEN
Following breakfast at the hotel, depart for Columbia Road Flower Market, one of London's most beloved Sunday traditions. Every Sunday morning, this historic East London street is transformed into a vibrant marketplace filled with colorful displays of flowers, plants, and greenery.

The lively atmosphere, created by local traders and visitors alike, offers a unique glimpse into everyday London life. Beyond the market itself, the surrounding neighborhood is home to independent boutiques, galleries, and specialty shops that contribute to the area's distinctive character and charm.

In the afternoon, choose between exploring the royal heart of London or delving into centuries of British history. Depending on palace opening schedules, guests may visit the area surrounding Buckingham Palace and explore the nearby royal parks and riverside landscapes.

St James's Park is one of London's most iconic and beautifully landscaped green spaces, located just steps from Buckingham Palace. Originally created as a royal hunting ground, the park today offers a tranquil escape in the center of the city, with winding pathways, mature trees, colorful flowerbeds, and a scenic lake home to waterfowl and other wildlife. The park provides excellent views of royal landmarks including Buckingham Palace, The Mall, and Horse Guards Parade. You can enjoy a leisurely walk through this elegant royal setting while experiencing one of London's most historic landscapes.

Continue with your visit to the Tower of London, one of the city's most significant historic sites. Originally established by William the Conqueror in the 11th century, the fortress has served as a royal residence, prison, treasury, and military stronghold. Today, visitors can view the Crown Jewels, learn about the Tower's fascinating history from the Yeoman Warders, and explore its collection of historic buildings and exhibitions. Surrounding the fortress, the restored moat landscape features expansive wildflower plantings and attractive walking paths that create a striking contrast to the medieval architecture.

The day concludes with a visit to Sky Garden, one of London's most distinctive viewpoints and public garden spaces. Located at the top of 20 Fenchurch Street, the building's upper levels feature a beautifully landscaped indoor garden with greenery, open viewing areas, and dramatic floor-to-ceiling windows overlooking the city. Situated nearly 500 feet above London, Sky Garden provides a unique perspective on the capital's historic landmarks and modern skyline. From this elevated viewpoint, guests can enjoy sweeping views across London, including the River Thames, Tower Bridge, St Paul's Cathedral, The Tower of London, and the surrounding City of London district. As daylight fades, the changing views create a memorable atmosphere, with the city's historic buildings and contemporary architecture gradually illuminated for the evening.

Dinner will be served at Darwin Brasserie, offering a relaxed dining experience high above the city. The restaurant features modern British cuisine and provides an ideal setting to enjoy a traditional Sunday roast, a classic British weekend meal typically featuring roasted meat, seasonal vegetables, Yorkshire pudding, and traditional accompaniments. Combined with panoramic views of London at sunset and into the evening, this experience offers a memorable way to end the day.

A full day is dedicated to exploring Royal Botanic Gardens, Kew, one of the world's most important botanical gardens and a UNESCO World Heritage Site. Located in Richmond, southwest London, Kew offers an extraordinary combination of historic landscapes, architectural treasures, and internationally significant plant collections. The gardens cover an extensive area, making it easy to spend an entire day discovering different sections, from formal gardens and glasshouses to woodland paths and botanical displays.

Highlights of the visit may include the Waterlily House, a historic glasshouse dedicated to aquatic plants and famous for its giant water lilies, which have long been an important part of Kew's botanical research and collections. Guests may also explore the Princess of Wales Conservatory, a modern glasshouse featuring multiple climate zones that recreate environments from around the world, including tropical, arid, and carnivorous plant habitats.

Another highlight is the iconic Palm House, one of Kew's most recognizable Victorian-era structures. Built in the 19th century, this impressive glasshouse showcases a remarkable collection of tropical plants and reflects the Victorian fascination with plant exploration and botanical discovery. Depending on availability and access, guests may also visit the Economic Botany Collection, which explores the relationship between plants and people, including their historical uses in food, medicine, materials, and industry.

Lunch will be at leisure during the visit, with guests having the opportunity to select from the dining options available within the gardens. The Orangery, with its historic architecture and views across the landscaped grounds, offers one of the notable settings to enjoy a meal while exploring the estate.

In the evening, enjoy dinner at Ye Olde Cheshire Cheese, one of London's most historic pubs. Rebuilt shortly after the Great Fire of London, the pub has a long literary and cultural connection, having welcomed famous figures including writers and journalists over the centuries. DAY 5~TUESDAY ~ MAY 18
SISSINGHURST CASTLE AND GARDENS/GREAT DIXTER HOUSE AND GARDENS
A day trip takes you beyond London to explore Kent, often known as the "Garden of England" due to its fertile countryside, historic estates, orchards, and beautifully cultivated landscapes. The region is home to some of Britain's most celebrated gardens, offering a wonderful combination of horticulture, history, and traditional English scenery.

The day begins with a visit to Sissinghurst Castle Garden, one of England's most admired gardens. Created in the 20th century by writer and gardener Vita Sackville-West and her husband Harold Nicolson, the garden is known for its romantic design and carefully planned "garden rooms," each with its own character, planting style, and atmosphere. Despite its relatively intimate scale, the garden feels like a series of distinct landscapes, with highlights including the famous White Garden, colorful borders, historic buildings, and a celebrated collection of traditional roses and heritage plants. The combination of architectural structure, thoughtful planting, and views across the surrounding Kent countryside makes Sissinghurst a true example of classic English garden design.

Continue to Great Dixter House & Gardens, a remarkable and influential garden created around a historic medieval house. Once the home of renowned gardener and writer Christopher Lloyd, Great Dixter is celebrated for its imaginative approach to planting, combining bold colors, unusual plant combinations, traditional craftsmanship, and a relaxed natural style. Guests can explore its distinctive garden spaces, including vibrant perennial borders, topiary, orchards, and carefully designed areas that blend the formal with the wild. The setting, with its historic house, timber framing, and surrounding countryside, captures the charm and character of an English country garden.

Return to the hotel to relax and freshen up before heading out for an evening dining experience at the OXO Tower Brasserie. Situated on London's South Bank within the iconic OXO Tower, this modern dining venue is known for its stylish atmosphere, garden terrace, and panoramic views across the River Thames and London's skyline. The restaurant offers a globally influenced brasserie menu, blending international flavors with contemporary cuisine and seasonal ingredients. Enjoy dinner in a sophisticated setting while taking in the city's illuminated landmarks and the vibrant atmosphere of one of London's most scenic riverside locations. Overnight at the REMBRANDT HOTEL, KENSINGTON. (B,D)

DAY 6~WEDNESDAY~ MAY 19
CROSSRAIL ROOF GARDEN/ FULHAM PALACE GARDENS/KENSINGTON GARDENS/HOLLAND PARK & KYOTO GARDEN

Enjoy breakfast before beginning today's exploration of some of London's most distinctive gardens and green spaces. Travel by coach to the Crossrail Roof Garden, an innovative urban garden space designed above London's Elizabeth line infrastructure, showcasing how contemporary city planning can incorporate nature into the urban environment.

Continue to historic Fulham Palace, the former country residence of the Bishops of London for more than 1,300 years. Set beside the River Thames, the gardens encompass approximately 13 acres and represent one of London's most significant horticultural treasures. The highlight is the magnificent walled garden, originally established centuries ago and now restored as a vibrant productive garden filled with vegetables, herbs, fruit trees, and ornamental plantings. Wander through colorful herbaceous borders, fragrant rose plantings, and carefully maintained lawns that reflect the site's long gardening tradition. The gardens also feature rare and unusual plants, mature trees, and tranquil pathways that invite leisurely exploration. With its blend of historic design, seasonal color, and riverside setting, Fulham Palace Gardens offers a fascinating glimpse into more than 500 years of gardening heritage in London. Time permitting, visit the palace's historic interiors and museum, which offer fascinating insights into the lives of the bishops and the evolution of this remarkable estate.

Lunch will be at leisure, allowing time to enjoy the neighborhood at your own pace. In the afternoon, visit Kensington Gardens, one of London's historic Royal Parks and a former private garden of Kensington Palace. The gardens are known for their beautifully designed landscapes, tree-lined avenues, ornamental flower beds, and tranquil pathways. Highlights include the Italian Gardens, a formal water garden with classical features gifted to Queen Victoria by Prince Albert, the Albert Memorial, and views of Kensington Palace, which has been a royal residence for centuries.

Continue to Holland Park and the Kyoto Garden, a peaceful Japanese-style garden created as a gift from the city of Kyoto to celebrate the friendship between Japan and the United Kingdom. Opened in the early 1990s, the garden reflects traditional Japanese design principles with a flowing waterfall, koi pond, stone lanterns, arched bridges, and carefully selected plants that change with the seasons. Surrounded by the wider landscapes of Holland Park, including woodland areas, formal gardens, and open parkland, the Kyoto Garden offers a serene retreat in the heart of London.

Return to the hotel to freshen up before an evening coach transfer to the Thames River Cruise departure point. Enjoy a scenic cruise along the River Thames, passing some of London's most famous landmarks beautifully illuminated after dark, followed by dinner as you experience the city's history and architecture from the water.

DAY 7~THURSDAY~ MAY 20
CHELSEA FLOWER SHOW
It is Chelsea Flower Show day! Arriving early allows guests to make the most of this extraordinary horticultural event, officially known as the RHS Chelsea Flower Show. Held annually in the grounds of Royal Hospital Chelsea, the show is one of the world's most prestigious garden and flower exhibitions, attracting leading garden designers, growers, and plant enthusiasts from around the globe.

The day is designed for guests to explore at their own pace, discovering the gardens, displays, and exhibits that capture their personal interests. Unlike smaller garden shows, Chelsea is known for its large-scale, immersive show gardens where designers transform ideas into fully realized landscapes featuring innovative planting concepts, creative designs, and inspiring combinations of plants, materials, and structures. Visitors can also explore the floral marquees, where some of the world's finest nurseries showcase rare plants, specialty flowers, and expert horticultural displays.

A highlight of the experience is seeing the garden displays created by some of the most respected names in the horticultural world. Members of the British Royal Family have long supported the event, and King Charles III has been closely associated with environmental conservation and sustainable gardening initiatives. His long-standing interest in nature and biodiversity has helped raise awareness of traditional planting methods, native species, and the importance of protecting the natural environment.

Throughout the day, guests will have opportunities to explore the show grounds at their own pace and enjoy the many cafés, refreshment areas, and dining options available during the event. A traditional afternoon tea is a wonderful way to embrace a quintessentially British experience, offering a relaxed opportunity to enjoy classic treats while taking in the atmosphere of one of the country's most celebrated garden events.

Beyond the show itself, the surrounding neighborhood of Chelsea joins in the celebration with Chelsea in Bloom, where local shops, restaurants, and businesses create elaborate floral installations throughout the area. These imaginative displays transform streets and storefronts into colorful works of art, bringing the spirit of the flower show into the wider community.

After enjoying the gardens and floral displays, the evening continues with dinner at The Churchill Arms in Kensington. This historic pub is famous not only for its traditional atmosphere but also for its spectacular year-round exterior flower displays, which have become a London landmark in their own right. With its connection to Chelsea's floral celebrations, it provides a fitting and memorable end to a day dedicated to gardens, design, and British horticultural tradition. Overnight at the REMBRANDT HOTEL, KENSINGTON. (B,D)

DAY 8~FRIDAY~ MAY 21
ROYAL HERITAGE, ART & WEST END ENTERTAINMENT
Conclude the journey with a day filled with royal history, artistic masterpieces, and an unforgettable London evening.

Begin with a visit to Hampton Court Palace, one of England's most remarkable royal residences and famously associated with Henry VIII and the Tudor dynasty. Once a grand royal court, the palace offers a fascinating look into the lives of monarchs, from the magnificent Great Hall and royal apartments to the kitchens, courtyards, and beautifully restored gardens. The expansive grounds showcase the evolution of royal landscaping, with formal gardens, fountains, the famous maze, and sweeping views that provide a striking contrast to the historic settings experienced earlier in the journey. Guests will have time to explore at their own pace and enjoy a light lunch at one of the cafés or dining venues within the palace grounds.

In the evening, enjoy a memorable farewell dinner before experiencing the magic of London's famous theatre scene. A West End performance offers the perfect finale to the trip, with a wide range of productions to choose from. A fitting option for this day is Six, a lively and modern musical retelling the stories of Henry VIII's six wives through a high-energy concert-style performance, but the schedules are not out yet and the show will be chosen closer to date.

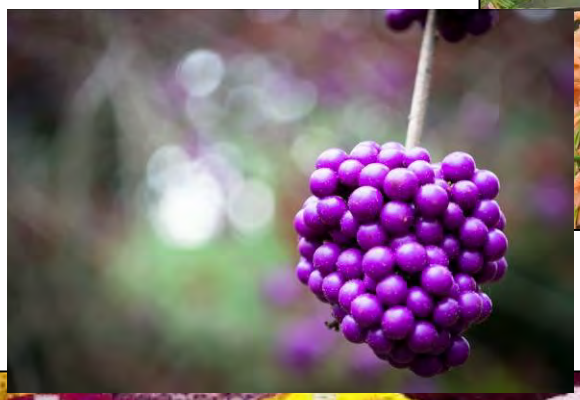

Alternatively, guests may choose a more traditional performance experience, such as a ballet at Royal Opera House or a concert at the iconic Royal Albert Hall, depending on the seasonal schedule. The selection will be made closer to date when the group is assembled. It is the perfect way to end the journey, combining London's royal heritage, artistic treasures, and vibrant cultural atmosphere. Overnight at the REMBRANDT HOTEL, KENSINGTON. (B,D)

Please check that your passport is valid for at least 6 months beyond your intended return date. It is your responsibility to ensure that you have valid travel documentation, including but not limited to passports and visas, which meet the requirements of immigration and other government authorities at every destination. You are responsible for confirming with the United States Department of State or the representative government agency of the country to which you are traveling to confirm the requirements for visas and/or other requirements for admission to your destination. Any fines, penalties, payments, or expenditures incurred as a result of such documents not meeting the requirements of those authorities will be your sole responsibility.

REAL ID: Beginning May 7, 2025, if you plan to use your state-issued ID or license to fly within the U.S., it is your responsibility to make sure it is REAL ID compliant. If you are not sure if your ID complies, please check with your local state Department of Motor Vehicles or visit www.tsa.gov/real-id.

TRAVEL DOCUMENTS: It is the responsibility of each Traveler to obtain and carry a valid passport, visa(s), and all other documents required by applicable government regulations.

ENTRY AUTHORIZATIONS: Certain destinations require electronic travel authorizations, visa waivers, transit authorizations, or pre-registration prior to departure. These requirements may apply even if a traditional visa is not required. It is the Traveler's responsibility to determine and obtain all required entry authorizations prior to travel. Failure to secure proper documentation may result in denied boarding or denied entry, for which Classic Escapes assumes no responsibility.

IDENTIFICATION REQUIREMENTS: When traveling domestically or internationally, the U.S. Transportation Security Administration (TSA) and U.S. Department of Homeland Security (DHS) advise that everyone carry acceptable identification in order to board a flight. Acceptable identification can be found at http://www.tsa.gov/traveler-information/acceptable-ids. The name, date of birth, and gender that appear on the identification document must exactly match the same data listed on airline ticket(s) and booking records. You acknowledge that failure to strictly comply with these requirements may result in denied boarding or undue delay at an airport security checkpoint, causing the Traveler to miss flight(s) and subsequent scheduled travel arrangements.

Travel documents include, without limitation, airline tickets, hotel vouchers, tour vouchers, or any other document (whether in electronic form or otherwise) used to confirm an arrangement with a service provider. Travel documents may be subject to certain conditions and/or restrictions including, but not limited to, being non-refundable, non-date-changeable, and subject to cancellation or amendment fees. Travel documents are non-transferable. All airline tickets must be issued in the name of the passport or government-issued photo identification holder. An incorrect name on a booking may result in cancellation or inability to use that booking. Any errors in names, dates, or timings on your documentation will be your responsibility if we are not advised at the time of booking. Please reconfirm your flights at least 24 hours prior to departure.

PRE-DEPARTURE INFORMATION: Upon receipt of your registration and deposit, we will send you an electronic pre-departure packet containing all the information you need to prepare for your tour, including the complete itinerary, packing checklist, required documents, insurance information, etc.

FINAL DOCUMENTS: Electronic final documents and air e-tickets will be sent to you approximately two weeks prior to departure, provided all monies have been paid in full.

TRANSPORTATION

AIR TRANSPORTATION: Your program does not include international airfare. If you require assistance, contact Classic Escapes.

FREQUENT FLYER MILEAGE: Check on the airline's website to enquire who their partners are. Obtain frequent flyer mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit.

TRANSFERS: Roundtrip airport transfers are included in the tour for guests arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

FLIGHT CONFIRMATION: We strongly suggest that you reconfirm exact flight times with the carrier prior to departure. Air travelers are required to check in at least 2 hours prior to departure time for domestic flights and 3 hours for international flights and must report to the gate at least 30 minutes prior to departure time. Failure to comply may result in the loss of the seat to another passenger.

HAZARDOUS MATERIALS: Federal law prohibits passengers from bringing hazardous materials on the aircraft. Federal law forbids the carriage of hazardous materials aboard aircraft in the passenger's luggage or on the passenger's person. A violation can result in five years' imprisonment and penalties of $250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives, and radioactive materials. Examples: Paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radiopharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in the passenger's luggage and certain smoking materials carried on the passenger's person. For further information, each passenger should contact the relevant airline representative(s) on their itinerary. Restrictions on hazardous materials are listed http://www.tsa.gov/traveler-information/prohibited-items.

INSECTICIDE NOTICE: Some countries require insecticide spraying of aircraft prior to a flight or while you are on the aircraft. We recommend that you refer to the Department of Transportation's list of airports in countries that require airlines to treat the passenger cabin with insecticides prior to the flight or while on the aircraft available at https://www.dot.gov/office-policy/aviation-policy/aircraft-disinsection-requirements.

BAGGAGE & FEES: Additional fees for baggage may apply. Please contact your airline or refer to its website for detailed information regarding its checked baggage policies. On average, international flights from the USA allow one piece of checked luggage, not exceeding 50 pounds, plus a carry-on piece not exceeding 15 pounds; however, we always recommend that you check your airline's policy just before departure, as luggage limitations are always subject to change. There may also be luggage and weight restrictions for your destination and that information will be forwarded to you with your pre-departure material and also listed on your final documents.

AIRLINE CLAUSE: The airlines concerned are not to be held liable for any act, omission, or event during the time the passengers are not on board their planes or conveyance. The passengers' tickets in use by the airline or by other carriers concerned when issued shall constitute the sole contract between the airlines and the purchaser of these tickets and/or passengers.

DELAYS: We cannot be held liable for any delays or additional costs incurred as a result of airlines not running to schedule. Any additional land or air fees imposed on account of airline delays will be borne by the traveler.

It is your responsibility to monitor official government, airline, and destination communications prior to departure and to comply with all applicable regulations. Carriers and local authorities may impose health-related measures as a condition of travel or entry, including but not limited to testing, screening, vaccination verification, quarantine, or other public health controls. Denied boarding, denied entry, mandatory quarantine, or additional costs resulting from such measures are the sole responsibility of the Traveler.
